Fletcher (c) Lucas Carpenter, Life is My Song John Gould Fletcher, 1937 New and Selected Essays Denise Levertov, 2014-10-29 Denise Levertov fulfills the eternal mission of the true Poet to be a receptacle of Divine Grace and a spender of that Grace to humanity World Literature Today Denise Levertov's New Selected Essays gathers three decades worth of the poet's most important critical statements Her subjects are various poetics the imagination politics spirituality other writers and her approach independent minded and richly complex Here in a single volume are recent essays exploring new ground broken by Levertov in the past decade as well as the finest and most useful prose pieces from *The Poet in the World* 1973 and *Light Up the Cave* 1981 This is a book to read and reread With their combination of sensitivity and practicality the New Selected Essays will prove enormously helpful to the writer and reader of poetry As Kirkus Reviews remarked about her prose This is humanism in its true sense her attitude as evidenced not described by her writing is such that the reader cannot help but experience life at least temporarily with more intensity joy and imagination Amy Lowell,

Diva Poet Melissa Bradshaw, 2016-12-05 In her reassessment of Amy Lowell as a major figure in the modern American poetry movement Melissa Bradshaw uses theories of the diva and female celebrity to account for Lowell's extraordinary literary influence in the early twentieth century and her equally extraordinary disappearance from American letters after her death. Recognizing Amy Lowell as a literary diva Bradshaw shows accounts for her commitment to her art her extravagant self promotion and self presentation and her fame which was of a kind no longer associated with poets. It also explains the devaluation of Lowell's poetry and criticism since a woman's diva status is always short lived and the accomplishments of celebrity women are typically dismissed and trivialized. In restoring Lowell to her place within the American poetic renaissance of the nineteen teens and twenties Bradshaw also recovers a vibrant moment in popular culture when poetry enjoyed mainstream popularity audiences packed poetry readings and readers avidly followed the honors exploits and feuds of their favorite poets in the literary columns of daily newspapers. Drawing on a rich array of letters memoirs newspapers and periodicals but eschewing the biographical interpretations of her poetry that have often characterized criticism on Lowell Bradshaw gives us an Amy Lowell who could not be further removed from the lonely victim of ill health and obesity who appears in earlier book length studies. Amy Lowell as diva poet takes her rightful place as a powerful writer of modernist verse who achieved her personal and professional goals without capitulating to heteronormative ideals of how a woman should act think or appear.
