

Selected Christian Hebraists

William McKane

CAMBRIDGE

Selected Christian Hebraists

David L. Puckett

Selected Christian Hebraists:

Selected Christian Hebraists William McKane, 1989-03-30 The Christian Hebraists selected for examination are Andrew of St Victor William Fulke Gregory Martin Richard Simon and Alexander Geddes all of whom contributed in different ways to the reception of the Hebrew Bible in the Christian Church All were strongly influenced by Jerome and Origen who supplied the foundation on which subsequent study of the Hebrew Bible in the Christian Church rests McKane is concerned with how the exercise of critical methods can be reconciled with the assumption that the Hebrew Bible is a Christian book Focusing on these five Hebraists each of whom had different influences and concerns McKane reviews the shifts in the Church's understanding of the nature and authority of its scriptures particularly the Old Testament Thus he shows how the beginnings of the critical scholarship of modern times is connected with and has grown out of that change in understanding This is the first book on this subject that draws together such fields of scholarship as patristics biblical scholarship and translation problems

The Hebrew Republic Eric Nelson, 2010-03-30 According to a commonplace narrative the rise of modern political thought in the West resulted from secularization the exclusion of religious arguments from political discourse But in this pathbreaking work Eric Nelson argues that this familiar story is wrong Instead he contends political thought in early modern Europe became less not more secular with time and it was the Christian encounter with Hebrew sources that provoked this radical transformation During the sixteenth and seventeenth centuries Christian scholars began to regard the Hebrew Bible as a political constitution designed by God for the children of Israel Newly available rabbinic materials became authoritative guides to the institutions and practices of the perfect republic This thinking resulted in a sweeping reorientation of political commitments In the book's central chapters Nelson identifies three transformative claims introduced into European political theory by the Hebrew revival the argument that republics are the only legitimate regimes the idea that the state should coercively maintain an egalitarian distribution of property and the belief that a godly republic would tolerate religious diversity One major consequence of Nelson's work is that the revolutionary politics of John Milton James Harrington and Thomas Hobbes appear in a brand new light Nelson demonstrates that central features of modern political thought emerged from an attempt to emulate a constitution designed by God This paradox a reminder that while we may live in a secular age we owe our politics to an age of religious fervor in turn illuminates fault lines in contemporary political discourse

The Messiah of the Targums Michael B. Shepherd, 2023-11-30 This book explores how the ancient Aramaic translations of the Hebrew Bible known as Targums are in part designed to guide readers to see the messianism of the biblical text The interpreters who produced the Targums were careful readers of Scripture and were in many cases prompted by the finer details of the biblical text itself to produce their messianic renderings The Targums have been an important part of the history of messianic interpretation of the Hebrew Bible and they continue to have something to say to readers today

From Theodulf to Rashi and Beyond: Texts, Techniques, and Transfer in Western European Exegesis (800 –

1100) ,2022-08-08 This book offers a new and inclusive approach to Western exegesis up to 1100 For too long modern scholars have examined Jewish and Christian exegesis apart from each other This is not surprising given how religious social and linguistic borders separated Jews and Christians But they worked to a great extent on the same texts Christians were keenly aware that they relied on translation The contributions to this volume reveal how both sides worked on parallel tracks posing similar questions and employing more or less the same techniques and in some rare instances interdependently

Gottes Sprache in der philologischen Werkstatt Giuseppe Veltri, Gerold Necker, 2005-02-01 The study of the Hebrew language in Protestant Europe initiated the development of modern philology Christian theology and Jewish tradition fostered Christian Hebraism which functioned as a catalyst for many subjects in the humanities This volume presents the results of a conference held in Wittenberg in October 2002 It evaluates the history of Christian Hebraism from Jewish grammatical works up to the Hebrew training of Protestant missionaries Prominent figures like Ludwig Geiger and Hermann L Strack as well as different centres of Hebrew learning from Basel to Groningen are described in detail in fourteen essays They focus on the influence of Humanism Kabbalah and the renewed discussions about the philosophical works of

Maimonides **Shapers of Early Christianity** Roland H. Worth, Jr., 2010-06-28 In 100 A D Christianity was practiced only by a small oppressed minority Three hundred years later Christianity had become one of the world s major religions But this change did not happen easily The imperial government of Rome intellectual tradition and battles within the church itself influenced the transformation Every viewpoint had its champions and opponents and whether they were defenders of the faith or those whom history later labeled heretics they were part of the early evolution of Christianity This volume discusses more than 50 figures who played a role in the transformation from primitive Christianity to early Medieval Catholicism As it examines the lives and influence of imperial rulers such as Constantine proponents of the intellectual tradition including Gregory of Neocaesaria and Julius Africanus and early Bible translators such as Tatian Origen and Jerome the work provides a fascinating look at Christian history

The Oxford Handbook of the Pentateuch Joel S. Baden, Jeffrey Stackert, 2021 Features contributions from leading academics to provide students and scholars with a comprehensive survey of the field Considers key topics and issues in contemporary pentateuchal scholarship and examines the Pentateuch in its social world Investigates the history and formation of the text and its early reception Book jacket

John Calvin's Exegesis of the Old Testament David L. Puckett, 1995-01-01 For anyone who wishes to understand the historical tensions that existed in Calvin s time with regard to the interpretation of scripture this book will be of great value For those who wish to understand Calvin s actual method of exegetical reasoning a largely unmined source of information that reveals what he most valued as an exegete this book will be invaluable

God's Sacred Tongue Shalom Goldman, 2015-01-01 In a comprehensive examination of how Christian scholars in the United States received interpreted and understood Hebrew texts and the Jewish experience Shalom Goldman explores Hebraism s relationship to American society By linking history theology and literature from the

colonial period through the twentieth century Goldman illuminates the religious and cultural roots of American interest in the Middle East *God's Sacred Tongue* is structured around a sequence of biographical and intellectual portraits of individuals including Jonathan Edwards Isaac Nordheimer Professor George Bush an ancestor of President George W Bush and twentieth century literary critic Edmund Wilson Since the colonial period America has been perceived as a western Promised Land with emotional spiritual and physical links to the Promised Land of biblical history Goldman gives evidence from scholarship diplomacy journalism the history of higher education and the arts to show that this perception is linked to the role Hebrew and the Bible have played in American cultural history The book's final section takes up the story of American Christian Zionism among whose Protestant adherents political Zionism found much of its strongest support Religious and cultural figures such as William Rainey Harper and Reinhold Niebuhr are among those who exemplify the centuries old ties between America the Land of Promise and Israel the Promised Land

Hebrew Bible / Old Testament. I: From the Beginnings to the Middle Ages (Until 1300). Part 1: Antiquity Magne Sæbø, Chris Brekelmans, Menahem Haran, 1996-07-12 Dieses gro ße internationale Standardwerk vereinigt christliche und j üdische Fachleute aus aller Welt Es stellt die alttestamentliche Exegese von den Anf ängen innerbiblischer Schriftdeutung bis zur gegenw ertigen Forschung umfassend dar Der erste Teilband f ührt von den Kanonfragen ber fr h j dische neutestamentliche rabbinische und patristische Deutungen bis zu Augustin Er endet mit einer Zusammenfassung ber Kirche und Synagoge als jeweiligen Mutterboden f r die Entwicklung verbindlicher Schriftauslegung Das Werk ist auf f ünf Teilb ände angelegt die im Abstand von ein bis zwei Jahren erscheinen

While this might not be the Selected Christian Hebraists full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Selected Christian Hebraists eBooks, including some popular titles.

FAQs About Selected Christian Hebraists Books

What is a Selected Christian Hebraists PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Selected Christian Hebraists PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Selected Christian Hebraists PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Selected Christian Hebraists PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Selected Christian Hebraists PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
