Selected Letters Of Theodore Roethke:

Selected letters of Theodore Roethke Theodore Roethke,1968 *A Field Guide to the Poetry of Theodore Roethke* William Barillas,2020-12-29 A constellation of essays that reanimates the work of this pivotal twentieth century American poet for a new century This volume is the first to reconsider Roethke s work in terms of the expanded critical approaches to literature that have emerged since his death in 1963 Editor William Barillas and over forty contributors including highly respected literary scholars critics and writers such as Peter Balakian Camille Paglia Jay Parini and David Wojahn collectively make a case for Roethke s poetry as a complete unified and evolving body of work The accessible essays employ a number of approaches including formalism ecocriticism reader response and feminist critique to explicate the poetics themes and the biographical historical cultural and literary contexts of Roethke s work *The selected letters of John Ciardi* John Ciardi,1991 *Selected Letters of Robert Penn Warren* Robert Penn Warren,2011-06-14 The years 1969 and 1979 bookend a volatile decade in American history As an articulate witness to the era of the Vietnam War Watergate Jimmy Carter and the national malaise Robert Penn Warren produced a phenomenal body of work securing his place in the canon of American poetry Volume five of *Selected Letters of Robert Penn Warren* Backward Glances and New Visions 1969 1979 includes Warren s letters to friends family peers editors inquiring scholars and critics recording the details of his personal and professional life and illustrating his pivotal role in twentieth century American literature In these turbulent but fruitful years Warren produced both *Audubon* A Vision 1969 and the revised version of *Brother to Dragons* 1979 In between lay some of Warren s most searching work as poet novelist literary critic and social commentator During this era Warren s achievements included his highly experimental and complex *Or Else* Poem Poems 1974 and the Pulitzer Prize winning *Now and Then* 1978 Before the end of the 1970s three more novels appeared concluding with his final book of fiction *A Place to Come To* This volume provides insight into Warren s inspiration during a remarkably productive era and will prove an essential resource on his life and work *A Study Guide for Theodore Roethke's "Dolor"* Gale, Cengage Learning, A Study Guide for Theodore Roethke s *Dolor* excerpted from Gale s acclaimed *Poetry for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Poetry for Students* for all of your research needs *The Echoing Wood of Theodore Roethke* Jenijoy La Belle,2015-03-08 A poet s tradition provides him with a sense of community that may be regarded as a necessary condition for poetry Jenijoy La Belle who studied with Roethke here describes the cultural tradition that he defined and created for himself In so doing she demonstrates how an understanding of Roethke s sources and the influences on his work is essential for its interpretation The author considers the sources of Roethke s poetry and the influence on him of a wide circle of poets including T S Eliot Yeats Whitman Wordsworth Smart Donne Sir John Davies and Dante In addition she traces the changes in Roethke s response to his literary past as he moves from his early lyrics to his final sequences His imitation of

selected poets began as a conscious effort but later became a basic component of his imaginative faculties encompassing an historical attitude and a psychological state Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Selected Letters Theodore Roethke, 1968

Theodore Roethke's Far Fields Peter Balakian, 1999-03-01 In this critical study of Theodore Roethke's poetry Peter Balakian treats the evolution of the poet's work from his first book *Open House* 1941 to his last *The Far Field* 1964 Balakian argues that Roethke was among the most innovative poets of his time and that *The Lost Son and Other Poems* 1948 brought America to a new frontier in the contemporary era Balakian maintains that Roethke combined and furthered major traditions in English and American poetry the formal poetics and meditative sensibility of British metaphysical and Romantic poetry the American visionary tradition and the innovations of modernism The early chapters of the book explore Roethke's intellectual religious and psychological development and his development as a poet Balakian discusses the influence of William Carlos Williams on Roethke's work and claims that the relationship between the two poets provided Roethke with a sense of the American grain Later chapters treat the shift from self absorption to union with otherness that marks Roethke's love poems exploring the poet's development of mysticism and a poetic persona and examining the influences of Eliot and Whitman on his work Balakian also discusses the metaphysical language necessary for Roethke's late poems and follows Roethke's spiritual progress as he prophetically faces his final work In presenting the evolution of Roethke's career Balakian offers fresh and original readings of the poetry He avoids any monolithic approach to the body of Roethke's work employing instead various approaches to Roethke's stages of poetic evolution Balakian makes use of the psychology of C G Jung and Erich Neumann the writings of the mystics the aesthetics of William Carlos Williams and the myth of the American frontier With a literary historian's concern for Roethke's place in history and a critic's eye for the sources and structures of poetry Balakian studies the resonances of language and the inner life of this poet's craft Theodore Roethke's *Far Fields* places Roethke firmly in literary and intellectual history and asserts his place as a major poet

Erotic Reckonings Thomas Simmons, 1994 Drawing on classical and feminist psychoanalytic theory Thomas Simmons argues that mentor apprentice relationships are inescapably erotic though not necessarily sexual Pound and Winters manifest profound conflicts between allegiance to a tradition of knowledge and allegiance to apprentices both tend to master the apprentice to bind her to a body of knowledge

American Poets and Poetry Jeffrey Gray, Mary McAleer Balkun, James McCorkle, 2015-03-10 The ethnically diverse scope broad chronological coverage and mix of biographical critical historical political and cultural entries make this the most useful and exciting poetry reference of its kind for students today American

poetry springs up out of all walks of life its poems are maternal as well as paternal stuff d with the stuff that is coarse and stuff d with the stuff that is fine as Walt Whitman wrote adding Of every hue and caste am I of every rank and religion Written for high school and undergraduate students this two volume encyclopedia covers U S poetry from the Colonial era to the present offering full treatments of hundreds of key poets of the American canon What sets this reference apart is that it also discusses events movements schools and poetic approaches placing poets in their social historical political cultural and critical contexts and showing how their works mirror the eras in which they were written Readers will learn about surrealism ekphrastic poetry pastoral elegy the Black Mountain poets and language poetry There are long and rich entries on modernism and postmodernism as well as entries related to the formal and technical dimensions of American poetry Particular attention is paid to women poets and poets from various ethnic groups Poets such as Amiri Baraka Nathaniel Mackey Natasha Trethewey and Tracy Smith are featured The encyclopedia also contains entries on a wide selection of Latino and Native American poets and substantial coverage of the avant garde and experimental movements and provides sidebars that illuminate key points

Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The Encyclopedia of American Poetry The Twentieth Century contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author s career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States

Dictionary of Midwestern Literature, Volume Two Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest s continuing cultural vitality and the stature and distinctiveness of its literature

Yeats and American Poetry Terence Diggory, 2014-07-14 This work is designed to show a double influence first that of American poets especially Whitman on W B Yeats and second of Yeats on a wide range of American poets who began their careers during the first decades of the century Originally published in 1983 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and

hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *We are called human* Michael S. Allen,1982 *Poets, Poetics, and Politics* Rolfe Humphries,1992 Rolfe Humphries 1894 1969 in addition to being an outstanding poet left a trail as a translator teacher critic and editor But as Richard Gillman maintains in his introduction poetry was the driving force behind these other special skills and interests **James Wright** Jonathan Blunk,2017-10-17 The authorized and sweeping biography of one of America s most complex influential and enduring poets In the extraordinary generation of American poets who came of age in the middle of the twentieth century James Wright 1927 1980 was frequently placed at the top of the list With a fierce single minded devotion to his work Wright escaped the steel town of his Depression era childhood in the Ohio valley to become a revered professor of English literature and a Pulitzer Prize winner But his hometown remained at the heart of his work and he courted a rough enduring muse from his vivid memories of the Midwest A full throated lyricism and classical poise became his tools honesty and unwavering compassion his trademark Using meticulous research hundreds of interviews and Wright s public readings Jonathan Blunk s authorized biography explores the poet s life and work with exceptional candor making full use of Wright s extensive unpublished work letters poems translations and personal journals Focusing on the tensions that forced Wright s poetic breakthroughs and the relationships that plunged him to emotional depths Blunk provides a spirited portrait and a fascinating depiction of this turbulent period in American letters A gifted translator and mesmerizing reader Wright appears throughout in all his complex and eloquent urgency Discerning yet expansive James Wright will change the way the poet s work is understood and inspire a new appreciation for his enduring achievement *Greek Modernism and Beyond* Dimitris Tziovas,1997-06-26 Although it is one of the most dynamic and controversial areas of Greek culture Greek modernism has received little scholarly attention as a literary and cultural phenomenon A wide variety of competing often clashing discourses and approaches characterize the study of Greek modernism In this landmark volume scholars from three continents provide a framework in which developments in prose poetry and drama can be studied together The contributors seek to redefine the contours of Greek modernism to reassess its impact on Greek culture to explore the fringes of the movement Special attention is paid to the role of the avant garde in Greece and the emergence of postmodern trends in Greek culture Greek Modernism and Beyond is valuable reading for students and scholars of Greek and European literature *Equipment for Living* Kenneth Burke,2010-03-10 Equipment for Living The Literary Reviews of Kenneth Burke is the largest collection of Burke s book reviews most of them reprinted here for the first time In these reviews as he engages famous works of poetry fiction criticism and social science from the early 20th century Burke demonstrates the prominent methods and interests of his influential career **On Sacred Ground** Nicholas O'Connell,2011-10-01 On Sacred Ground explores the literature of the Northwest the area that extends from the Pacific Ocean to the Rocky Mountains and from the forty ninth parallel to the

Siskiyou Mountains The Northwest exhibits astonishing geographical diversity and yet the entire bioregion shares a similarity of climate flora and fauna For Nicholas O Connell the effects of nature on everyday Northwest life carry over to the region s literature Although Northwest writers address a number of subjects the relationship between people and place proves the dominant one and that has been true since the first tribes settled the region and began telling stories about it thousands of years ago Indeed it is the common thread linking Chief Seattle to Theodore Roethke Narscissa Whitman to Ursula K Le Guin Joaquin Miller to Ivan Doig Marilynne Robinson to Jack London Betty MacDonald to Gary Snyder Tracing the history of Pacific Northwest literary works from Native American myths to the accounts of explorers and settlers the effusions of the romantics the sharply etched stories of the realists the mystic visions of Northwest poets and the contemporary explosion of Northwest poetry and prose O Connell shows how the most important contribution of Northwest writers to American literature is their articulation of a more spiritual human relationship with landscape Pacific Northwest writers and storytellers see the Northwest not just as a source of material wealth but as a spiritual homeland a place to lead a rich and fulfilling life within the whole context of creation And just as the relationship between people and place serves as the unifying feature of Northwest literature so also does literature itself possess a perhaps unique ability to transform a landscape into a sacred place

Avenues of Translation Regina Galasso, Evelyn Scaramella, 2019-04-15 Winner of the 2020 SAMLA Studies Book Award Edited Collection Cities both near and far communicate in a variety of ways Travel between through and among urban centers initiates contact and cities themselves are sites of ever changing cultural and historical encounters Predictable and surprising challenges and opportunities arise when city borders are crossed voices meet and artistic traditions find their counterparts Using the Latin word for translation translatio or to carry across as a point of departure Avenues of Translation explores how translation perpetuates diversifies deepens and expands the literary production of cities in their greater cultural context and how translation shapes an understanding of and access to a city s past and present literary and cultural practices Thinking about translation and the city is a way to tell the backstories of the cities texts and authors that are united by acts of translation Published by Bucknell University Press Distributed worldwide by Rutgers University Press
