Selfhelp Concepts And Applications

M. Archibald

Selfhelp Concepts And Applications:

Self-Help and Mutual Aid Groups Francine Lavoie, Benjamin Gidron, 2014-01-09 Here is new information on the development of international and intercultural research on self help groups This book reflects the many developments which have occurred in the field over the past decade emphasizing empirical research Self Help and Mutual Aid Groups provides specific research findings and honed concepts to help health professionals learn more about self help groups and work effectively with such groups More countries and ethnic groups are now involved in the self help movement and this volume increases knowledge of how different cultures react to and participate in self help mutual aid and how self help groups can be adapted to fit different racial or ethnic populations Self Help and Mutual Aid Groups explores the definition of self help the centrality of culture as a major factor explaining variability in self help the development of appropriate methodological tools and the role and involvement of professionals It brings together different traditions of research for the study of cross and intercultural and inter and intraorganizational aspects of self help groups Contributors who represent various disciplines including psychology sociology social work and nursing discuss a paradigm for research in self help the development of self help groups in Japan Hong Kong and the former East Germany the participation of blacks in Alcoholics Anonymous the participation of Mexican Americans in groups for parents of the mentally ill relationships between self help groups and health professionals predictors of burnout in self help group leaders characteristics of effective groups ways individuals change their world view through self help participation Self Help and Mutual Aid Groups is an informative and helpful resource for self help researchers and teachers students and professionals who want to be more effective in their work with self help groups across cultural and national lines

Understanding Self-help/mutual Aid Thomasina Borkman, 1999 Self help groups have encountered fierce criticism as places where individuals join to share personal problems and to engage in therapeutic intervention without the aid of skilled professionals These groups have flourished since the 1970s and continue to serve more people than professional therapy Yet these groups have been criticized as fostering a culture of whiners and victims and not using professional help as needed Thomasina Jo Borkman debunks this commonly held assessment and also examines the reasons for these groups enduring popularity since the 1960s more people attend these meetings word than see professional therapists What accounts for their success and popularity Understanding Self Help Mutual Aid Groups is the first book to describe three stages of individual and group evolution that is part of this organization s very structure it also reconceptualizes participants interactions with professionals The group as a whole Borkman posits draws on the life experiences of its membes to foster nurturing support and transformation through a circle of sharing Groups create more positive and less stigmatizing meaning perspectives of the members problems than is available from professionals or lay folk culture

Cancer and Self-help Mark A. Chesler, Barbara K. Chesney, 1995 Written for and about the special population of parents of children with cancer this book explores the remarkable effectiveness of self help groups and profiles their rapid

rise as a resource complementing traditional health care Mark A Chesler and Barbara K Chesney draw on their own experience as members of such groups and on a combined thirty years of research on self help They provide essential information for families of children with cancer and other chronic life threatening illnesses for health care professionals working with them and for scholars of self help and psychosocial processes in health care including explanations of how self help groups function why they are effective and how they can be created and maintained The authors show that through self help groups parents can learn coping skills find personal affirmation and mutual support and share the wisdom gained from their experiences Chesler and Chesney find that group participation improves parents coping capabilities in the face of terrible odds and fosters an increased sense of empowerment as they care and advocate for their children in an increasingly complex health care system Cancer and Self Help distills the experiences of more than fifty self help groups and their members over twelve years It also places cancer self help groups in a larger context comparing them to other social movement organizations and to other strategies for personal coping or change The book includes the voices of individual parents and professionals recounting their experiences detailed examples of group activities programs operating procedures and organizational structures fundamental how to information on forming a self help group comments on the roles and dilemmas of health care professionals in these groups and on the medical care system as a whole and interpretations of these individual and organizational dynamics

Self-Help and Support Groups

Linda Farris Kurtz,1997-02-04 She provides practical advice and direction to professionals for working with these groups while analyzing self help support organizations on three different levels in terms of the groups themselves the groups members and the practitioner s interaction with the groups In addition this comprehensive volume discusses the most prominent representative associations as examples of different types of groups including Alcoholics Anonymous Recovery Inc National Alliance for the Mentally Ill and the Alzheimer s Association It also examines the rise of telephone and on line self help considering the advantages and disadvantages of this style of group interaction

Self-Help/Mutual Aid Groups and Peer Support Thomasina

Borkman,2021-01-04 Thomasina Borkman reviews English language social science research on North American self help mutual aid groups SHGs and organizations and some from industrialized countries SHGs known by many names are voluntary member run groups of peers who share a common issue utilize lived experience and practice mutual aid Borkman s autoethnographic approach highlights her international SHG participation Despite initial common values and practices in the 1960s and on Alcoholics Anonymous the mental health SHGs and other SHGs evolved in the US as three separate social movements that became institutionalized by 2000 their history characteristics achievements and supportive infrastructure are summarized British contributors Munn Giddings and Boyce show in European countries how socio political contexts shape self help mutual aid Research has shifted from SHGs to peer support since 2000

Psychiatric Mental Health

Nursing Patricia O'Brien,2008-08-15 Psychiatric Nursing provides a focused thorough introduction to psychiatric mental

health nursing including nursing assessment and intervention of the most common mental disorders as classified in the DSM IV This text guides nurses in managing special populations clarifying neurobiologic theories and conducting psychiatric nursing evaluations Additionally Psychiatric Nursing presents the latest on psychotropic drugs addresses legal and ethical concerns within psychiatric nursing and discusses complementary and alternative therapies Perfect for undergraduate courses the text features Learning Objectives Key Terms Critical Thinking Questions Case Studies Clinical Examples Care Plans Diagnostic Criteria Patient and Family Education Internet Resources Implications for Evidence Based Practice Client Teaching Guides

Support Groups Janice H Schopler, Maeda J Galinsky, 2014-02-04 Support Groups Current Perspectives on Theory and Practice provides a framework for understanding and examining supportive group interventions It provides descriptions of different kinds of support groups and alerts practitioners and educators to the factors they should consider in planning implementing and evaluating support group services The book also offers guidance in using innovative approaches to providing support services through computer groups and telephone groups Human service professionals and social work educators practitioners and students will find these topics covered in Support Groups evaluation of support groups a support group model guidelines for support group practice innovative use of support groups issues in support group practice The purpose of this book is to examine state of the art support group practice Support groups are conceived as the center of a continuum of supportive group interventions overlapping with self help groups at one end and treatment groups at the other The chapters are placed within the context of the open systems model developed by the editors This model provides a framework for understanding factors that affect support groups for guiding intervention and for evaluating their outcomes

Self-Help Groups for Parents of Children with Intractable Diseases Tomofumi Oka, 2003-09 The purpose of this dissertation is to examine the organisational problems and in particular the leadership problems of self help groups in Japan for parents whose children have intractable diseases Since 1993 I have been involved with these parent groups and have conducted three sorts of qualitative interview thirteen informal conversational interviews four focus group interviews and fourteen guided interviews involving the members of twenty one parent groups Part of the research was carried out as participatory action research in which a research team was formed and authorised by the parent groups My findings have shown that the groups most serious problems lay not outside their groups but within with the shortage of suitable leaders who volunteered in the activities Three different sorts of account were given concerning the leadership shortage They included justification accusation and exposure the participants claimed that taking care of ill children caused the leadership shortage selfish members created it or the determination of older leaders to remain at the helm prevented new members from becoming leaders Cognitive maps have been drawn of these situations I have explained the theories behind the free rider and social loafing problems and the leadership traps confronting the parent groups and have applied attribution theory to the results I have discussed the practicality of consultation for group leaders and argued that organisational socialisation

should be activated in the parent groups while propounding the island within a lake model of parent groups Methodologically I have discussed social research within Japanese culture and the ethical issues pertain to participatory action research

The Evolution of Self-Help M. Archibald, 2007-11-26 This book examines the institutionalization of self help in the United States using organizational and social movement theories Looking at a fifty year period Archibald charts the formation and dissolution of over 500 medical academic and popular organizations He explores the ways in which the marginal practices of sufferers of chronic conditions like Parkinson s or alcoholism became the common solution for all manner of medical behavioural and psychological problems

How to Create and Sustain Groups that Thrive Ann Steiner, Ph.D., 2020-05-25 How to Create and Sustain Groups That Thrive is an accessible manual for group leaders of all kinds from psychotherapy groups to discussion groups This thoroughly updated third edition of the author s popular group psychotherapy guide provides a wealth of tools for starting and maintaining groups including sample group agreements a screening and preparation system and an innovative collaborative goal setting system The book also discusses the importance of online netiquette as well as an overview of diversity and inclusion concepts in group work offering a range of modifiable leadership and facilitation interventions that can be tailored to meet the needs of specific groups Specifically designed to help both seasoned group therapists and clinicians who find themselves leading groups How to Create and Sustain Groups That Thrive is an easy to use fully practical resource for a variety of mental health professionals

Caring for You, Caring for Me David H. Haigler, Kathryn B. Mims, Jack A. Nottingham, 1998 Caring for persons with chronic illnesses or disabilities is a rewarding endeavor but it often places extreme demands on those providing care Caregivers need both education and support to understand their caregiving roles and to cope with the difficult situations they face All too often there is a chasm between professionals who are part of the formal caregiving system and family members friends and neighbors who provide daily care The Caring for You Caring for Me education and support program is a valuable tool for use in providing caregivers with education and support The program is designed to bring formal professional and informal lay family caregivers together to gain a better understanding of each other s perspectives on what it means to be a caregiver with the hope that in the process both will learn to do it better The program is based on caregiving research and the expertise of frontline caregivers The Leader s Guide contains everything needed to conduct a ten hour education and support program for caregivers informational content layouts for overhead transparencies and suggested group activities The companion Participant s Manual supports the presentation providing a workbook for class activities a suggested reading list and a compendium of national sources of help for caregivers Caring for You Caring for Me was developed by the Rosalynn Carter Institute under the guidance of the West Central Georgia Caregivers Network CARE NET The Rosalynn Carter Institute was established in 1987 Its mission is to understand the process of caregiving and discover new ways to benefit both formal and informal caregivers The Institute supports the premise that caregivers and care receivers can be served

most effectively through the collaborative efforts of formal and informal caregivers academicians public and private services and organizations representing caregivers and recipients of care

The Self-Help Sourcebook Edward J. Madara, Barbara J. White, 1998

Mental Health Self-Help Louis D. Brown, Scott Wituk, 2010-08-05

Building on earlier patient empowerment movements consumer and advocate driven mental health self help MSHH initiatives currently outnumber traditional mental health organizations At the same time this apparent success raises significant questions about their short term efficacy and their value to lasting recovery Mental Health Self Help assembles the state of the evidence on the effectiveness of MSHH beginning with the individual and larger social factors behind the expansion of consumer directed services Clearly organized and accessibly written the book traces the development and evolution of MSHH as both alternative and adjunct to traditional mental health structures offers research based perspectives on the various forms of MSHH and identifies potential areas for consumer initiatives to work with and help improve mental health systems Contributors weigh strengths and limitations raise research and methodology questions and discuss funding and training issues to give readers a deeper understanding of the field and an informed look at its future impact on mental health treatment Individual chapters cover the spectrum of contemporary self help initiatives in mental health including Online mutual aid groups Consumer run drop in centers Family and caregiver groups Certified peer support specialists Consumer advocacy initiatives Technical assistance organizations Professional self help collaborations Mental Health Self Help is a bedrock guide to an increasingly influential aspect of the mental health landscape Researchers studying these initiatives from a variety of fields including community and clinical psychology and public health as well as clinicians counselors social workers case managers and policymakers will find it an indispensable reference

The Palgrave Handbook of Volunteering, Civic Participation, and Nonprofit Associations David Horton Smith, Robert A. Stebbins, Jurgen Grotz, 2017-01-18

Written by over 200 leading experts from over seventy countries this handbook provides a comprehensive state of the art overview of the latest theory and research on volunteering civic participation and nonprofit membership associations The first handbook on the subject to be truly multinational and interdisciplinary in its authorship it represents a major milestone for the discipline Each chapter follows a rigorous theoretical structure examining definitions historical background key analytical issues usable knowledge and future trends and required research The nine parts of the handbook cover the historical and conceptual background of the discipline special types of volunteering the major activity areas of volunteering and associations influences on volunteering and association participation the internal structures of associations the internal processes of associations the external environments of associations the scope and impacts of volunteering and associations and conclusions and future prospects This handbook provides an essential reference work for third sector research and practice including a valuable glossary of terms defining over eighty key concepts Sponsored by the International Council of Voluntarism Civil Society and Social Economy Researcher Associations ICSERA www.icsera.org it

will appeal to scholars policymakers and practitioners and helps to define the emergent academic discipline of voluntaristics

Selfhelp Concepts And Applications Introduction

In the digital age, access to information has become easier than ever before. The ability to download Selfhelp Concepts And Applications has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Selfhelp Concepts And Applications has opened up a world of possibilities. Downloading Selfhelp Concepts And Applications provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Selfhelp Concepts And Applications has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Selfhelp Concepts And Applications. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Selfhelp Concepts And Applications. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Selfhelp Concepts And Applications, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Selfhelp Concepts And Applications has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Selfhelp Concepts And Applications Books

What is a Selfhelp Concepts And Applications PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Selfhelp Concepts And Applications PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Selfhelp Concepts And Applications PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Selfhelp Concepts And Applications PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Selfhelp Concepts And Applications PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by

selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
