Metzger, 1998-07-15 A standard Greek reference tool allowing students to learn vocabulary quickly by listing words according to their frequency of use in the New Testament *Galatians* Samuel Ngewa, 2010 The second of the Hippo preaching commentaries with endnotes on the Greek text and other issues of academic importance *Holiness in the Letters of Paul* J. Ayodeji Adewuya, 2016-10-21 Paul's understanding of holiness stems from the holiness of God as revealed in the Old Testament Using varied terminology Paul describes the holiness that should characterize the believers as the people of God God expects moral integrity of his people because he has provided believers with his Holy Spirit to enable them to live exemplary Christlike lives in this present world though polluted as they prepare for the world to come Believers who like Paul anticipate the Parousia must not only desire but also pray that holiness becomes a reality in their lives cognizant of the fact that holiness is a matter of practice not merely a status that one attains upon justification Thus holiness is an imperative for the people of God **The Bible and the Future** Anthony A.

Hoekema, 1994-09-06 Writing from the perspective that the coming of God's kingdom is both present and future Hoekema covers the full range of eschatological topics in this comprehensive biblical exposition The two major sections of the book deal with inaugurated eschatology the already and future eschatology the not yet Detailed appendix bibliography and indexes

Translating the Bible Literally Michael T. Schmid, 2016-05-31 Differences in translation between so called literal Bible versions make it quite appropriate to re evaluate what is meant by the label literal What do different literal Bible translations have in common How do they differ How do we account for possible different concepts of literalness How is the concept of literalness applied to the making of a Bible translation To answer these questions the author compares three literal Bible translations the King James Version the New American Standard Bible and the English Standard Version For each of these versions the historical background and the writings of the translators themselves are analysed The book concludes with a comparison of the three translations in their renderings of selected examples from the Gospel of John *Counseling One Another* Paul Tautges, 2016-02-29 This paradigm shifting book helps believers understand the process of being transformed by God's grace and truth and challenges them to be a part of the process of discipleship in the lives of their fellow brothers and sisters in Christ Counseling One Another biblically presents and defends every believer's responsibility to work toward God's goal of conforming us to the image of His Son a goal reached through the targeted form of intensive discipleship most often referred to as counseling All Christians will find Counseling One Another useful as they make progress in the life of sanctification and as they discuss issues with their friends children spouses and fellow believers providing them with a

The Voice of Jesus Stephen I.

Wright,2007-10-01 This book explores what it means to seek the voice of Jesus in his parables through the interpretive keys of literary tropes Through a detailed discussion of significant periods of parable interpretation with reference to six narrative parables peculiar to Luke s Gospel it demonstrates the continued necessity of a creative response to an intention when confronted with figures of speech Drawing on the long tradition of interpretation a fresh hearing of the tone of the parables as exemplary tales is suggested rooted in both the conditions of Jesus s contemporary culture and the Old Testament Scriptures

The Naked State of Human Being Luis Ivan Martinez-Toledo,2016-04-21 This book explains the image of nakedness gymnos taken by Paul in the Corinthian correspondence to refer to the state of human being during death Through an academic approach but simple language the author explains the biblical monist understanding of human being He takes the biblical experience of death and resurrection to point out his arguments This book uncovers the ancient problem of the continuation of personal identity from life prior to death on to resurrection It also provides a fresh biblical approach from an anthropological and biblical perspective to the problem of what being human really is Those who enjoy traveling through the Bible with an open mind and warm heart will find in this book a good experience
