**On Being the Church of Jesus Christ in Tumultuous Times** Joe R. Jones, 2005-08-22 This collection of essays sermons and prayers urges the church today to be the sort of community that sustains a vigorous and continuing conversation within itself as to who has called it into being to whom it is responsible and what it is called to be and to do Jones reminds the church that it is an alternative political community called into being by the Gospel This collection explores what it means to be such an alternative community in tumultuous times in times when it is tempting to look to the world for answers and to confuse loyalty to the nation state with loyalty to God A theme throughout all the writings is that the church is the necessary context for becoming and being a Christian Designed to Succeed FELIPE CHAVARRO

VanderLeest, 2022-04-19 Technology and its power are both old and new as is the wisdom needed to envision design and use it well In this field guide for Christians studying and working in technology case studies historical examples and personal stories encourage readers to ask harder questions aspire to more noble purposes and live a life consistent with their faith as they engage with technology Action, Decision-Making and Forms of Life Jesús Padilla Gálvez, 2016-03-21 The book is exceptional because it applies the notion of forms of life to the context of human action It provides answers to the following questions Why do we act in a specific way Why do we make particular decisions Does one s form of life and language games determine our actions and decisions Wittgenstein proposes a holistic method which enables us to give coherent answers to

these questions To answer the question of the contents of actions and decisions we have to explain how we have institutionalized these actions or decisions To this aim we shall reveal the frame within which language games are introduced and have come to function as practice and custom The scheme of order underlying the language games is illustrated Human actions and decisions follow particular rules By highlighting the underlying scheme of order we may gain a perspicuous view of these rules The aim of this book is to show that actions and decisions generate rational choice This choice is explained by demonstrating the particular functions of the language games involved      **Rewired** Paul N. Markham,2007-07-01 **Rewired** begins with the claim that contemporary views of Christian spirituality particularly in the American evangelical tradition concentrate too exclusively on the interior and individual nature of spiritual experience Paul Markham argues that a reexamination of the doctrine of religious conversion is needed within American evangelicalism and finds resources for such a model in the Wesleyan theological tradition and from philosophical and scientific insights into a nonreductive physicalist view of human nature In considering data from theology and science this book represents an integrated work in science and religion      *The Communication Playbook* Teri Kwal Gamble,Michael W.
