Showdown Larry Elder, 2013-04-26 The Ten Things You Can't Say in America struck a chord with eager readers across the country exposing truths others have been too afraid to address In his new book Elder is out to slay entrenched and enmeshed special interest groups government agencies with the capacity to meddle in Americans lives and businesses lawmakers who continue a pattern of outrageous overtaxation and those who would hamstring this country with good intentions Showdown demonstrates how the nation would be better stronger and safer with less government intervention and how individuals would not only cope but thrive without the so called safety net Showdown is a call to arms for a truly free society Elder discusses What a Republican led government means for progress Where a responsible government would put its citizens tax dollars Why racial and sex discrimination are non issues in the 21st century Larry Elders straight talk and common sense solutions spare no one and will inspire his passionate and growing audience Texas Showdown Elmer Kelton, 2024-09-04 A seven time Spur Award winning author writes of his beloved home of West Texas in these two historical novels of cowmen and cow country Pecos Crossing Two young cowboys Johnny Frisco and Speck Quitman have been cheated of six months hard earned salary by their rancher boss Larramore and intend getting what is due to them Shotgun Texas rancher Blair Bishop has to contend with a rival cowman who is turning his herd loose on Bishop's land and with a mean customer named Macy Modock who Bishop sent to prison ten years past Modock is out of the hoosegow and has returned determined to get even with the man who sent him up the river Kelton's writing is absolutely authentic and he is a master at spinning that wildly expressive species of dusty idiom that makes good western writing so gratifying Add to that some stern if flexible morality and tight plotting full of tense finger twitching action and you have some outstanding western fare Booklist
