Showmanship For Presenters 49 Proven Training Techniques From Professional Performers:

Showmanship for Presenters Dave Arch, 1995-01-01 *Books in Print Supplement*, 2002 *Powerful Principles for Presenters* Batt Johnson, 2000-05-12

Powerful Principles for Presenters is the textbook used at New York University and Cornell University in Batt Johnson's public speaking class. It features proven communication techniques from commercials, television, and film professionals and explains their effective use for anyone. This helps you lose any self-consciousness, gain confidence, and deliver your message with as much power as politicians, actors, broadcasters, high-profile business executives, and other public speakers seen in the media. When you can speak well, you make your points clearly and effectively, convince and motivate others to action, and gain the competitive edge. This information is offered for the first time in one easy-to-read reference book for busy individuals without time to read a large volume the day before an important speech or presentation. This book is interactive; it identifies common problems for public speakers and offers immediate solutions. Each chapter has a workbook section to help you improve your skills, identify action steps, and measure your results. When you apply these simple, proven tips and techniques, you will become a more powerful communicator, delivering speeches that roar. The style of Batt Johnson's book makes me feel that I am working directly with a coach. Dr. Carol Robbins, Director, Off-Campus College, Cornell University. The next best thing to learning from Batt Johnson in person is what you've got in your hands. He's a master communicator, and this is a great guide to his technique. Lisa Napoli, Internet Correspondent, MSNBC TV. This book is an exhaustive how-to guide which will provide a primer for the rookie and an effective refresher for the seasoned veteran. Rapheal M. Prevot, Jr., Labor Relations Counsel, National Football League. As a financial professional, the tips have proved invaluable in the art of friendly persuasion. John Krysko, Financial Planner, American Express Company. All the busy businessperson needs to make presentations with impact is here in Batt Johnson's book. You owe it to your audience to read and use this. Nancy Rosanoff, Past President, New York Chapter of the National Speakers Association and author of *Making Money Through Intuition*.
