## **Shrunken Dream:**

**The Shrunken Dream** Jane Tapsubei Creider, 1992 Their world was three miles wide and fifteen miles long a patch of rugged rocky land along the upper slopes of Mt Kamasai At the foot of the mountain ran the Cheboiywa River the boundary between the Nandi and Luyia On the other side of the mountain from Kapkeimur onwards were European settlers and priests But on the slopes of the mountain in densest forest the people of Kamasai lived completely cut off The houses were built among the boulders There were no grassy plains for cattle to graze on The little grass they could obtain was found in gaps in the forest canopy where the trees allowed the sunlight to filter down The produce of the women s vegetable gardens had to be shared with the monkeys that came from the forest around them In this little world everyone knew every detail of everything that happened from The Shrunken Dream
