A Sicilian Romance by Ann Radcliffe      *A Sicilian Romance* Ann Ward Radcliffe, 2014-01-15 Strange moans and mysterious lights haunt the south wing of the Mazzini castle where Julia the beautiful younger daughter of the Marquis de Mazzini lives. The terrors of the unknown fade to insignificance when Julia's father orders her to marry the cruel Duke de Luovo. Julia flees the castle and is propelled into a series of adventures that eventually lead her back to the castle where she discovers an unspeakable crime. It stands in the centre of a small bay and upon a gentle acclivity which on one side slopes towards the sea and on the other rises into an eminence crowned by dark woods. The situation is admirably beautiful and picturesque and the ruins have an air of ancient grandeur which contrasted with the present solitude of the scene impresses the traveller with awe and curiosity. During my travels abroad I visited this spot. As I walked over the loose fragments of stone which lay scattered through the immense area of the fabric and surveyed the sublimity and grandeur of the ruins I recurred by a natural association of ideas to the times when these walls stood proudly in their original splendour when the halls were the scenes of hospitality and festive magnificence and when they resounded with the voices of those whom death had long since swept from the earth. A Sicilian Romance is a gothic novel by Ann Radcliffe. It was her second published work and was first published anonymously in 1790. The plot concerns the fallen nobility of the house of Mazzini on the northern shore of Sicily as related by a tourist who learns of their turbulent history from a monk he meets at the ruins of their once magnificent castle. The Mazzini sisters Emilia and Julia are beautiful young ladies with many talents. Julia quickly falls in love with the young and handsome Italian count Hippolitus de Vereza but to her dismay her father decides that she should marry Duke de Luovo instead. After much thought Julia attempts to elope with Hippolitus on the night before her wedding. However their escape had been anticipated and the Marquis Julia's father ambushes and seemingly kills Hippolitus whose body is carried away by his servants      A Sicilian Romance Ann Ward Radcliffe, 2011-11 This book is part of the TREDITION CLASSICS series. The creators of this series are united by passion for literature and driven by the intention of making all public domain books available in printed format again worldwide. At tredition we believe that a great book never goes out of style. Several mostly non profit literature projects provide content to tredition. To support their good work tredition donates a portion of the proceeds from each sold copy. *A Sicilian Romance* Ann Radcliffe, 2021-07-28 18:13:31Z *A Sicilian Romance* begins when a tourist meets a local monk at the crumbling ruins of the castle Mazzini. The monk invites her to the monastery to view a manuscript that records the mysterious happenings that occurred hundreds of years ago in the once great castle. The manuscript tells of the plight of two sisters, Julia and Emilia Mazzini, who after the return of their tyrannical father witness supernatural phenomena around the castle's neglected southern wing. Radcliffe was viewed as the greatest writer of the Gothic literary style by most early 19th century critics and literary historians despite Horace Walpole seemingly inventing the genre in *The Castle of Otranto*. *A Sicilian Romance* was first published anonymously in 1790, making it the second of her published works. This book is part of the Standard Ebooks project, which produces free public domain ebooks. *A Sicilian Romance* Ann Ward Radcliffe, 1796

**A Sicilian Romance** A. N. N. ANN RADCLIFFE, 2020-04-28 ANN RADCLIFFE *A Sicilian Romance* Ann Radcliffe, 2013-02-02 The house of Mazzini is troubled; stories of strange happenings ignite the countryside. At the heart of the growing darkness is a hidden past, ancient sins that could destroy a family already plagued with the ghosts of their past crimes. **A Sicilian Romance** Ann Radcliffe, 2018-10-14 *A Sicilian Romance* Large Print By Ann Radcliffe Surprised at the lateness of the hour, she rose in haste and was moving to her chamber when the beauty of the night attracted her to the window. She opened it and, observing a fine effect of moonlight upon the dark woods, leaned forwards. In that situation, she had not long remained when she perceived a light faintly flash through a casement in the uninhabited part of the castle. A sudden tremor seized her, and she with difficulty supported herself. In a few moments it disappeared, and soon after a figure bearing a lamp proceeded from an obscure door belonging to the south tower and, stealing along the outside of the castle walls, turned round the southern angle by which it was afterwards hid from the view. Astonished and terrified at what she had seen, she hurried to the apartment of Madame de Menon and related the circumstance. *Ann Radcliffe* Robert Miles, 1995 To her contemporaries, Ann Radcliffe was The Great Enchantress. Her wild and stormy Gothic romances made her one of the most popular and successful writers of the later eighteenth century. *A Sicilian Romance* Ann Radcliffe, 2023-01-21 *A Sicilian Romance* begins when a tourist meets a local monk at the crumbling ruins of the castle Mazzini. Rogers,2007 Although in recent years maternity has become a contested site of political discourse the matrophobia that characterizes many mother daughter bonds has hardly been theorized This book defines matrophobia as fear of mothers as fear of becoming a mother and as fear of identification with and separation from the maternal body Deborah D Rogers argues that matrophobia is the central metaphor for women s relationships with each other within a patriarchal culture Analyzing different contexts in which matrophobia problematizes feminism this book begins with matrophobic discourse in eighteenth century England Significantly the self sacrificing construction of motherhood emerges at the same time as the novel a genre that develops as a locus for the radical displacement of matrophobia Coining the term Matrophobic Gothic to describe works in which inadequately mothered heroines reconcile with maternal figures that the narrative has repressed Rogers focuses on this phenomenon in the works of Ann Radcliffe and Jane Austen Her consideration of matrophobia extends to early modern male authored texts including Samuel Richardson s representation of maternity and Sir Walter Scott s exploration of gender roles and identity These issues continue unabated in televised serial drama All told this book powerfully argues for the necessity of confronting the matrophobia at the heart of feminism      **A Sicilian Romance, Volume 2** Ann Ward Radcliffe,2016-05-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant      **Reading Daughters' Fictions 1709-1834** Caroline Gonda,1996-03-14 It has been argued that the eighteenth century witnessed a decline in paternal authority and the emergence of more intimate affectionate relationships between parent and child In Reading Daughters Fictions Caroline Gonda draws on a wide range of novels and non literary materials from the eighteenth and early nineteenth centuries in order to examine changing representations of the father daughter bond She shows that heroine centred novels aimed at a predominantly female readership had an important part to play in female socialization and the construction of heterosexuality in which the father daughter relationship had a central role Contemporary diatribes against novels claimed that reading fiction produced rebellious daughters fallen women and nervous female wrecks Gonda s study of novels of family life and courtship suggests

that far from corrupting the female reader such fictions helped to maintain rather than undermine familial and social order
