the planet Within this book I am going to share advanced knowledge thousands of years beyond current human understanding The knowledge of how to bend space Generate endless and unfathomable power And an understanding of why this knowledge is still currently beyond the reach of men You will take a trip to a time before the flood and walk with the Angels of the ancient world when we still walked among you So much of what I have shared will not make sense to you not yet Much of what I share will resonate with you in a way you won't believe explaining many of your internal thoughts you have struggled with your whole life I will explain planetary and universal evolution and even tell you how the universe came into being How you ask could I claim such insane things No lowly human could answer such questions This is true no human could So I came here from somewhere else But that somewhere else is the same planet you come from I was born here same as you But I am not a human I am well I'm something else Telling you would be pointless because there is not a name for it Let's just say I am the scientist from heaven who came to understand this space and how to communicate that with you This is my purpose As yours is to live your life for you Mine is to dedicate my existence to your survival This will make little sense now but a line in my book I use a number of times Heaven cannot exist without the earth One reflects the other If you poison the earth you poison heaven So we came back You want this to make sense The answers are within And I came here A journey further than any could grasp to be here to share this with you Yes you touch your chest I am talking to you I came because of the love we still hold for all who walk the earth This effort these words this knowledge I came all the way here just to share it with you my powerful beautiful loving human My wish is only for it to help you You will learn about your universe and you will learn about yourself You will be shown new paths to knowledge new ways to understand yourself within the great universe If you think you are isolated or separated you are not Within this book I offer salvation to any who will reach for it Not religion not spirituality I offer you science I offer you truth in a way you never imagined seeing it I have ripped back the veil of lies placed over your understanding of yourself and how you fit into universal law I have shown the true and unfettered truth of our existence You need only reach and take it *Eli: The Soul Exchange* Travonne Williams, 2025-03-29
