High-Frequency Sight Words: Sight Word Stories Staci Marck, 2014-04-01 This is the chapter slice Sight Word Stories from the full lesson plan High Frequency Sight Words. We include the 100 high frequency words that make almost 50 percent of everything that we read as adults. Having a bank of high frequency words is essential to building fluent reading skills. As students begin to read and build their sight word knowledge, they will build a bank of known vocabulary words that will aid them in beginning to read and spell. Boxes are used to help students come to understand that words can be recognized by the shapes of their letters as they contain small, tall or hanging letters. Color graphic organizers and a comprehension quiz are included.
