The Popularization of Medicine Roy Porter, 2013-06-17 In the early modern centuries a body of popularized medical writings appeared telling ordinary people how they could best take care of their own health Often written by doctors such books gave simple advice for home treatments while commonly warning of the dangers of magic quackery old wives tales and faith healing The Popularization of Medicine explores the rise of this form of people's medicine from the early days of printing to the Victorian age focusing on the different experiences of Britain the Continent and North America

**Panorama Histórico Forestal de Puerto Rico** Carlos Domínguez Cristóbal, 2000 An investigation into government forestry policies in Puerto Rico and how these have impacted on the condition of the country's forests *The Eighteenth-Century Theatre in Spain* Philip B. Thomason, Ceri Byrne, 2013-10-18 Previously published as a special issue of The Bulletin of Spanish Studies The Eighteenth Century Theatre in Spain is the second in a series of research bibliographies on the Theatre in Spain Representing ten years of searches and compilation by its specialist authors this volume draws together data on more than 1 500 books articles and documents concerned with Spanish eighteenth century theatre Studies of plays and playwrights are included as well as material dealing with theatres actors and stagecraft Wherever possible items listed have been personally examined and their library location in Britain Spain or USA is provided Scholars with interests in drama will find in this single volume work of reference a wealth of reliable information concerning this specialist field A Colonial Book Market Agnes Gehbald, 2023-11-30 This volume provides a wholly original social history of books in late colonial Peru From the second half of the eighteenth century onward workshops in Lima and transoceanic imports supplied the market with unprecedented quantities of print publications By tracing the variety of printed commodities that were circulating in the urban sphere as well as analysing the spatiality of the trade and the materiality of the books themselves Agnes Gehbald assesses the meaning of print culture in the everyday lives of the viceroyalty She reveals how books permeated late colonial society on a broad scale and how they figured as objects in the inventories of diverse individuals both women and men who in previous centuries had been far less likely to possess them Deeply researched and profound A Colonial Book Market uncovers how people in Peruvian cities gained access to reading material and participated in the global Enlightenment project **El Siglo XVIII. [With Plates.]** Juan REGLÁ CAMPISTOL (and ALCOLEA (Santiago)), 1957 **A Global History of Silk** Pierre Vernus, Manuela Martini, Tomoko Hashino, 2024-08-01 This book explores the global development of the production and trade of silk and related industries from a historical perspective From the sixteenth to the twentieth century it takes long term movements and global dynamics into account Covering a wide geographical area including East Asia Northern and Southern Europe and North America the respective contributions examine economic activities related to silk production silk processing trading and consumption of silk and silk fabrics while also highlighting diverse paths of industrialization and economic development The book is divided into three parts the first of which features

contributions on silk markets and trade covering topics such as auction sales and Sino European trade The second part addresses issues of work organization institutional developments and the gendered division of labour discussing topics such as systems of home based and factory production and the organization of quality control In turn the third part highlights technological innovations and knowledge transfer This book appeals to scholars and students of economic history who are interested in a better understanding of the key features and patterns in the development of the silk industry and trade and more widely in the global economic history of the early modern and modern periods
