Gregory H. Williams

Sigmar Polke Works And Days:

Sigmar Polke Bice Curiger, Sigmar Polke, 2005 Ce catalogue d'exposition réunit toutes les dernières œuvres de Polke faisant le point sur toute sa carrière et toutes les découvertes de cet artiste exceptionnel Depuis quatre décennies il explore les styles les thèmes et les matériaux et prend pour champ de réflexion le rôle de l'art et de l'artiste contribuant ainsi largement au renouvellement de la peinture *Sigmar Polke* Margit Rowell, Sigmar Polke, Michael Semff, Bice Curiger, Museum of Modern Art (New York, N.Y.), 1999 Sigmar Polke's thirty five year career during which he has produced a vast range of work in all mediums has earned him a reputation as one of the most significant artists of his generation Born in 1941 he began his creative output around 1963 in Düsseldorf during a time of enormous social cultural and artistic changes in Germany and elsewhere Few of his works demonstrate more vividly his imagination sardonic wit and subversive approach than the drawings watercolors and gouaches produced during the 1960s and early 1970s Embedded in these images are incisive and parodic commentaries on consumer society the postwar political scene in Germany and classic artistic conventions

Sigmar Polke Gloria Moure, Sigmar Polke, 2005 This publication is the most complete monograph on Sigmar Polke to date and includes a number of works never before published Forms of Enchantment: Writings on Art and Artists Marina Warner, 2018-10-23 An anthology of enlightening writing by an award winning critic that engages with art in its social political and aesthetic contexts Art writing at its most useful should share the dynamism fluidity and passions of the objects of its enquiry argues author Marina Warner in this new anthology Here some of Warner's most compelling writing captures the visual experience of the work of a diverse group of artists with a notable focus on the inner lives of women through an exploration of the range of stories and symbols to which they allude in their work Warner vividly describes this imagery covering the connection with animals in the work of Louise Bourgeois the Catholicism of Damien Hirst performance as a medium of memory in the installations of Joan Jonas and more Rather than drawing on connoisseurship Warner's approach grows principally out of anthropology and mythology Accompanied by illustrations of the works being described Marina Warner's writing unites the imagination of artist writer and reader creating a reading experience that parallels the intrinsic pleasure of looking at art This book will appeal to any student of art history those interested in philosophy feminism and more generally in the humanities *Sigmar Polke* Stefan Gronert, 2019-08-13 An illustrated exploration of *Girlfriends* 1965 66 one of Sigmar Polke's important early paintings The artist Sigmar Polke 1941 2010 worked across a broad range of media including photography painting printmaking sculpture and film and in styles that varied from abstract expressionism to Pop This volume in Afterall's One Work series offers an illustrated exploration of *Freundinnen* *Girlfriends* 1965 66 one of Polke's important early paintings Taken from a found image of two young women and using the raster dots also found in mass media reproductions *Girlfriends* offers a statement about the use and social function of images Stefan Gronert approaches *Girlfriends* through its deliberate and elusive ambiguity providing technical detail and historical background that allow some

of the work's motivation and depth to become clearer Gronert analyzes Polke's relationship to his tutors and peers especially Gerhard Richter describes the art historical context in which Polke worked and discusses some of the social and political issues to which *Girlfriends* refers Considering such topics as the distinction between Polke and Alain Jacquet in their use of photographed material between Polke's use of the raster technique and that of Roy Lichtenstein and the feminist discourse of the time Gronert draws on a variety of critical interpretations of Polke's work including some material that has not yet been translated into English

Sigmar Polke Anne MacPhee, Sigmar Polke, 1996-01-01 Sigmar Polke is a highly exemplary Postmodernist and perhaps one the most indicative of a truly European avant garde culture This book presents a number of critiques which shed light on Polke's otherwise bewildering display of stylistic references apparent changes of allegiance and often unorthodox techniques of production

Magritte and Contemporary Art René Magritte, Stephanie Barron, Michel Draguet, Los Angeles County Museum of Art, 2006 Essays by Michel Draguet Dickram Tashjian Sara Cochran Theresa Papanikolas Thierry de Duve and Stephanie Barron Introduction by Stephanie Barron

The 7 Days Art Columns, 1988-1990 Peter Schjeldahl, 1990 The 76 columns short reviews and articles here many of them abridged by me are most of what I wrote for 7 Days a running chronicle of the art life of a specific period in New York Preface

Shooting the Works W. S. Di Piero, 1996 W S Di Piero is one of the most capable and wide ranging poet critics of his generation His essays are contemplative analytical and interdisciplinary critical yet arising out of his own artistic practice Di Piero looks at interrelations between the arts and at the ways in which the arts express aspects of contemporary culture as well as the individual temperaments and gifts of their makers These essays are elegant and passionate tributes to the intersection of art and self

Artbibliographies Modern, 1999

Seven Days in the Art World Sarah Thornton, 2008-11-17 A fly on the wall account of the smart and strange subcultures that make trade curate collect and hype contemporary art The art market has been booming Museum attendance is surging More people than ever call themselves artists Contemporary art has become a mass entertainment a luxury good a job description and for some a kind of alternative religion In a series of beautifully paced narratives Sarah Thornton investigates the drama of a Christie's auction the workings in Takashi Murakami's studios the elite at the Basel Art Fair the eccentricities of Artforum magazine the competition behind an important art prize life in a notorious art school seminar and the wonderland of the Venice Biennale She reveals the new dynamics of creativity taste status money and the search for meaning in life A judicious and juicy account of the institutions that have the power to shape art history based on hundreds of interviews with high profile players Thornton's entertaining ethnography will change the way you look at contemporary culture

Parkett, 1991

Bridget Riley: Works from 1981-2015 Bridget Riley, 2016-07-26 Bridget Riley's explorations of perception through form and color have made her into one of the most significant painters working today Since the early 1960s she has used elementary shapes lines circles curves and squares to create visual experiences that immediately draw the viewer in often triggering optical vibrations and illusions More recently

Riley has shifted back to black and white in her large scale paintings marking a departure from her recent colored stripe paintings and a return to the palette of some of her earliest works Published on the occasion of her 2015 solo exhibition at David Zwirner *Bridget Riley Works 1981 2015* presents paintings from the last thirty four years of her career including images of Rajasthan a wall painting previously shown in Germany and England and exhibited for the first time in New York These dynamic reproductions begin with stripe paintings from the 1980s and end with a coda of sorts a return to black and white that ties back to her work from the 1960s but bear traces of Riley's deep engagement with color in the interim As critic de Chassey puts it in his essay for Riley's 2015 catalogue with Galerie Max Hetzler The black and white paintings not only enter into a dialogue with the 1960s works but take stock of every painting experience Riley has created during a long career Also included is a selection of the artist's works on paper taken together these complementary aspects of her practice over the past four decades reveal the astonishing variety she has achieved by developing and rediscovering different forms An essay by art historian Richard Shiff helps contextualize the developments in Riley's practice since the early 1980s and further emphasizes her influence and lineage as a painter Rounding out the publication are biographical notes by Robert Kudielka one of the artist's foremost critics With a career spanning six decades Bridget Riley remains one of the most exciting painters today and *Bridget Riley Works 1981 2015* presents a selection of works from what may be her richest period to date

Color Chart Ann Temkin, 2008 *Color Chart* celebrates a paradox the lush beauty that results when contemporary artists assign colour decisions to chance readymade source or arbitrary system Midway through the 20th century long held convictions regarding the spiritual truth or scientific validity of particular colours gave way to an excitement about colour as a mass produced and standardized commercial product The Romantic quest for personal expression instead became Andy Warhol's I want to be a machine the artistry of mixing pigments was eclipsed by Frank Stella's Straight out of the can it can't get better than that This book and the exhibition it accompanies is the first devoted to this pivotal transformation and features work by some forty artists ranging from Ellsworth Kelly and Gerhard Richter to Sherrie Levine and Damien Hirst

Joseph Beuys Viola Michely, Claudia Mesch, 2007-06-27 Joseph Beuys is one of the most legendary figures of twentieth century art his work and ideas continue to impact on artists today An enigmatic self-styled shaman who embraced radically democratic artistic and political ideas he has attained almost mythical status This reader brings together the crucial texts on Beuys to look at the most contentious reception ever accorded a postwar artist Here in one volume are key essays by prominent artists and critics from North America and Europe in a collection which foregrounds the full scope of Beuys' work across performance drawing painting sculpture and multiples With a foreword by Arthur C Danto *Joseph Beuys The Reader* features Benjamin Buchloh's seminal essay *Beuys The Twilight of the Idol* and texts by Rosalind Krauss Peter Burger Vera Frenkel Irit Rogoff Thierry de Duve and others as well as essays translated for the first time into English Also included are two discussions previously unpublished outside of Germany with Beuys himself as well as a useful chronology of key events

and exhibitions in the life of this most charismatic figure The most significant collection of texts on this artist to date the book will be essential reading for any student of Beuys and for all those interested in postwar art the cult of the artist and art s engagement with politics and society

Permission to Laugh Gregory H. Williams,2012-06-12 Permission to Laugh explores the work of three generations of German artists who beginning in the 1960s turned to jokes and wit in an effort to confront complex questions regarding German politics and history Gregory H Williams highlights six of them Martin Kippenberger Isa Genzken Rosemarie Trockel Albert Oehlen Georg Herold and Werner B ttner who came of age in the mid 1970s in the art scenes of West Berlin Cologne and Hamburg Williams argues that each employed a distinctive brand of humor that responded to the period of political apathy that followed a decade of intense political ferment in West Germany Situating these artists between the politically motivated art of 1960s West Germany and the trends that followed German unification in 1990 Williams describes how they no longer heeded calls for a brighter future turning to jokes anecdotes and linguistic play in their work instead of overt political messages He reveals that behind these practices is a profound loss of faith in the belief that art has the force to promulgate political change and humor enabled artists to register this changed perspective while still supporting isolated instances of critical social commentary Providing a much needed examination of the development of postmodernism in Germany Permission to Laugh will appeal to scholars curators and critics invested in modern and contemporary German art as well as fans of these internationally renowned artists

Lonely Planet Germany Lonely Planet,Andrea Schulte-Peevers,Kerry Christiani,Marc Di Duca,Catherine Le Nevez,Tom Masters,Ryan Ver Berkmoes,Benedict Walker,2016-02-01 Lonely Planet Germany is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you See storybook castles arise from the Bavarian forest raise a stein to an oompah band in a Munich beer garden and take in the vibrant Berlin arts scene all with your trusted travel companion

Gerhard Richter Dietmar Elger,2009 This fascinating book offers unprecedented insight into artist Gerhard Richter s life and work From his childhood in Nazi Germany to his time in the West during the turbulent 1960s and 70s this work presents a complete portrait of the often reclusive Richter

Difference and Democracy Kolja Raube,Annika Sattler,2011-11 As Europe becomes increasingly diverse understanding the effects of differences among citizens within European democracy crucial The contributors to Difference and Democracy take a novel interdisciplinary approach to this important dimension of social interaction drawing on political science sociology communications studies legal studies and art history Contrary to alarmist accounts of difference in Europe these essays explore its potentially positive impact outlining the conditions under which differences could lead to effective and legitimate political action
