Long Live The Child:

I Will Take the Answer Ander Monson, 2020-02-04 A moving and wide ranging collection of essays by the author of Letter to a Future Lover The idea of connection permeates I Will Take the Answer Ander Monson's fourth book of utterly original and intelligent essays How is our present connected to our past and future How do neural connections form memories and why do we recall them when we do And how do we connect with one another in meaningful ways across time and space In the opening essay which extends across the book in brief subsequent pieces a trip through a storm sewer in Tucson inspires Monson to trace the city's relationship to Jared Lee Loughner the gunman who shot Gabrielle Giffords and killed six bystanders along with how violence is produced and how we grieve and honor the dead With the formally inventive I in River he ruminates on water in a waterless city and the structures we use to attempt to contain and control it Monson also visits the exuberantly nerdy kingdom of a Renaissance Faire and elaborates on the enduring appeal of sad songs through the lens of March Sadness an online competition that he cofounded an engaging riff on the NCAA basketball tournament brackets in which sad songs replace teams As personal and idiosyncratic as the best mixtape I Will Take the Answer showcases Monson's deep thinking and broad ranging interests his sly wit his soft spot for heavy metal and his ability to tunnel deeply into the odd and revealing sometimes subterranean worlds of American life [James Dean is Dead! \(Long Live James Dean\)](#)

Elizabeth A. Galway, 2022-03-30 Over the past century much attention has been paid to the literature written for adults in response to the First World War but there has been comparatively little consideration of how the war influenced literature for young readers at the time Based on extensive archival research this study examines an array of wartime writing for young people and provides a new understanding of the complexities and nuances within children's literature of the period In its discussion of nearly 150 primary sources from Britain Canada and the United States this volume considers some well known texts but also brings to light forgotten children's literature of the era providing new insights into how WWI was presented to the young people whose lives were indelibly impacted by the crisis Paying special attention to the varied ways in which child figures were depicted it reflects on what these portrayals reveal about adult conceptualizations of youth and it considers how these may have shaped young readers own views of armed conflict citizenship and childhood From the helpless victim to the heroic combatant child figures appeared in many guises exposing a range of adult concerns about nation empire and children's citizenship Exploring everything from alphabet books for beginning readers to recruitment materials for high school students this book examines works from multiple genres and provides a uniquely comprehensive study of transatlantic children's literature produced during the first global war **Favourite Wisdom**

Intergenerational Justice Lukas H. Meyer, 2017-05-15 The essays selected for this volume show how relations between past current and future generations have become a major subject of philosophical research since the 1970s The relations between people alive today with people who may exist in the future and people now deceased differ from relations between contemporaries and in ways that raise new conceptual logical and substantive questions Among the questions addressed in this volume are what is the status of people now deceased and people who may exist in the future Can the latter be harmed by the actions of people alive today What duties of justice do we have towards people with whom we can neither interact nor co operate and can people who are indirect victims of past injustices legitimately claim compensation Answers to these questions are relevant in a number of policy areas most notably in issues regarding reparations for historical injustice and responding to climate change and its consequences
