Private Eye ,1977 **Brides of the Buddha** Karen Muldoon-Hules,2017-06-05 For young women in early South Asia marriage was probably the most important event in their lives as it largely determined their socioeconomic and religious future Yet there has been little in the way of systematic examinations of the evidence on marriage customs among Buddhists of this time and our understanding of the lives of early Buddhist women is still quite limited This study uses ten stories from the Avadanasataka the collection of Buddhist narratives compiled from the second to fifth centuries CE to examine the social landscape of early India The author analyzes marital customs and the development of nuns hagiographies while revealing regional variations of Buddhism in South Asia during this period *Burning the Ice* Laura J. Mixon,2002-08-17 More than a hundred years after a small band of humans stole an antimatter fueled starship and headed away at near lightspeed a colony of those renegades descendants are now struggling to survive on Brimstone a barely habitable world of ice and bitter cold four dozen light years from Earth In the long run they hope to slowly terraform Brimstone making it if not Earthlike at least bearable In the short run well life is hard and everyone lives in everyone else s laps Not easy for anyone Particularly hard if like Manda you just aren t cut out to get along with others in conditions of constant crowding and zero privacy Most people wouldn t be eager to get away from the main colony and work on a scientific project in the howling frozen wastes For Manda it s a deliverance But news of the intelligent life she discovers in Brimstone s depths will change everything if she can bring the news back to her fellows alive For it turns out there are political plots and counterplots still active in the colony dangerous twists tracing back to Earth itself and outward to the stars **Inventing the Jew** Andrei Oisteanu,2009-05-01 Inventing the Jew follows the evolution of stereotypes of Jews from the level of traditional Romanian and other Central East European cultures their legends fairy tales ballads carols anecdotes superstitions and iconographic representations to that of high cultures including literature essays journalism and sociopolitical writings showing how motifs specific to folkloric antisemitism migrated to intellectual antisemitism This comparative perspective also highlights how the images of Jews have differed from that of other strangers such as Hungarians Germans Roma Turks **Gertz V. Robert Welch, Inc** Elmer Gertz,1992 Elmer Gertz recalls his long battle in what legal scholars regard as the second most important libel case in legal history Gertz v Robert Welch Inc Gertz s ordeal began in Chicago during the violent peace demonstrations of 1968 A youth Ronald Nelson was killed by a Chicago policeman Richard Nuccio Gertz represented the Nelson family in civil suits against Nuccio and the Chicago police department After Nuccio was convicted of murder the John Birch Society published an article in its journal American Opinion claiming that Nuccio was framed by Communists Gertz was targeted as a prime Communist instigator After reading and studying the article Gertz filed suit against Robert Welch Inc charging that it had defamed him by publishing highly harmful lies impugning his reputation and patriotism Gertz writes in detail of his landmark case which

involved two trials two reviews in the court of appeals and two battles in the Supreme Court Although the case was finally decided in April 1981 when a U S district court jury awarded him 100 000 compensatory damages and 300 000 punitive damages Gertz did not receive payment until May 1983 after Robert Welch Inc had filed two unsuccessful appeals
