Longford Invasion The:

Race and State Karen Fricker, Ronit Lentin, 2009-01-14 Speaking about racism in the western political climate of the first decade of the twenty first century is more difficult than ever before There is a feeling in post colonial and post immigration societies that the blatant overt racism of the past is no longer as pressing Admitting racism elicits discomfort because common wisdom tells us that racism opposes everything that we believe in as citizens of democratic civilised modern states Yet state racism appears to be here to stay and in many ways is more acceptable than ever before Immigration detention centres the deportation of failed asylum seekers and illegal immigrants racial profiling and the rolling back of liberties won by the civil rights movement are all examples of how state racism impacts on our daily lives *Race and State* contributes to breaking the taboo of discussing the links between race and state The papers collected in this book highlight the interconnections between race and state from historical theoretical or contemporary sociological perspectives Part I of the book looks at theoretical issues in conceptualising the race state relationship Part II examines racism in its most pernicious contemporary manifestation the racialisation of terror Part III on the racial state s of Ireland is an important addition to the debate examining Ireland as a test case for demonstrating and interpreting the relationship between race and state **The Farrells of Donegal** Sam Hanna, 2018-12-06 O Farrells Ferrells and others worldwide often ponder their Irish roots This is currently the most comprehensive attempt to explore the origins of one of the largest branches of the Farrells Ferrells It includes 1 400 years of Celtic roots in northwest Ireland Gaelic ancestry linked to St Colum Cille St Columba from c AD 655 400 year old associations with the Ulster Plantation and worldwide migration Those wishing to explore their own Irish family history and genealogy may use the methodology adopted by the author as a template for their own research Almost 1 000 references are detailed representing an invaluable resource to all those researching their Irish and Ulster roots The benefits of DNA testing in family history and genealogy are outlined and the results of the Donegal Farrell Ferrell DNA research are analysed Extensive genealogies of Ulster Farrells Ferrells and associated families from the sixteenth to twenty first centuries have been compiled and this database will assist others research their roots in Donegal Ulster and Ireland

Hotbeds of Licentiousness Benjamin Halligan,2022-05-13 Hotbeds of Licentiousness is the first substantial critical engagement with British pornography on film across the 1970s, including the Summer of Love, the rise and fall of the Permissive Society, the arrival of Margaret Thatcher, and beyond. By focusing on a series of colourful filmmakers whose work, while omnipresent during the 1970s, now remains critically ignored, author Benjamin Halligan discusses pornography in terms of lifestyle aspirations and opportunities which point to radical changes in British society. In this way, pornography is approached as a crucial optic with which to consider recent cultural and social history.

Tom, Ned and Kitty Eliza Pakenham,2011-11-03 I am standing in the dining room of my father's house in Ireland, gazing up at ten Pakenham family portraits. What thoughts went on behind those passive, chalky faces? How can I bring them out of the shadows? Eliza Pakenham, granddaughter of the seventh Earl of Longford, chronicles the fortunes of her colourful ancestors against the backdrop of Napoleonic wars and Irish revolutions. Through her painstaking research and discovery of hidden records, she unearthed the story of an extraordinary dynasty peppered with intriguing characters. Kitty, Duchess of Wellington, kept apart from her love for over a decade. Tom, second Earl of Longford, who fathered three illegitimate children, and Ned, the darling of the family, a war hero. Through them, we learn of life in times of peace and war, of the pain of bereavement and rapid changes in politics and society. A vivid and absorbing account of a fascinating generation brought truthfully to life.
