Experiencing God's Love in the Church

Tom Blackaby,2011-06-01 The church is not dead nor does it need to be abandoned as some think It is still a body that can best demonstrate the heart of God to a needy world Many have looked at the church with all its flaws and turned their backs on it saying it has passed its prime The main reason for this is that the church has lost its love for one another and consequently for God While the church may serve God try to please God and make efforts to obey God love is sadly missing This lack of love for one another manifests itself through church splits lack of loyalty ostracizing those who disagree turning on one another over insignificant reasons church hopping firing pastors etc Experiencing God s Love in the Church seeks to challenge believers to renew their commitment to loving one another and in so doing returning to what Christ intended His body to look like When the world sees God s people truly loving one another they will then be more apt to see how the Father sent the Son as a demonstration of His love for them
