Temple,2011-04 It is about couples cheating on each other till the ladies decided to go on their own and the men went in to gunrunning to show them they are of very important people till they get caught but the ladies knowing this found someone to be with and help them get what they deserve The Beauty Queen of Jerusalem Sarit Yishai-Levi,2016-04-05 Gabriela's mother Luna is the most beautiful woman in all of Jerusalem though the two women have always struggled to connect When tragedy strikes Gabriela senses there's more to her mother than painted nails and lips Desperate to understand their relationship Gabriela pieces together the stories of her family's previous generations But as she uncovers shocking secrets forbidden romances and the family curse that links the women together Gabriela must face a past and present far more complex than she ever imagined Reaping the Aurora Joshua Palmatier,2024-01-01 ENTER A WORLD POWERED BY LEY LINES Wielder Kara Tremain and former Dog Allan Garrett have seized control of the new Nexus created at the distant temple known as the Needle the stronghold of the White Cloaks Kara intends to use the Needle's Nexus to heal the major distortions that threaten to shake their entire world apart But the Needle is no safe haven Father Dalton's followers have begun to rebel starting riots and creating unrest The tensions escalate beyond control when Father Dalton declares he's had a vision in which the Needle is attacked from the north by dogs and from the south by snakes a vision that ends with the quickening of the distortions called the Three Sisters to the north and the annihilation of reality itself **Paul Sills' Story Theater** Paul Sills,2000-02-01 The creator of Story Theater the original director of Second City and one of the greatest popularizers of improvisational theater Paul Sills has assembled some of his favorite adaptations from world literature Includes *The Blue Light* and *Other Stories* A Christmas Carol Dickens *Stories of God* Rumi **Shades of the Linger** Sonya Pritchard,2022-08-23 When she was a little girl Nadia King spent summers with her Gram Marie in a house filled with drafts and unexplained shadows It was her grandmother who gave Nadia her first journal at age seven as a safe place to write her ghost stories Although Gram Marie believed Nadia was destined to be a writer her life has taken a different path While ignoring her obvious connections with the supernatural Nadia pursues a career in science instead As she meets a cast of interesting characters her scientific mind begins to question the things she used to see in Gram Marie's house as a child and what she continues to see as an adult Nadia soon realizes that these events may be more than just her imagination and that life has been leading her to the research institute Amulet all along But when she and her team identify a mysterious new brain cell they set into motion a chain of events with the potential to forever change the world's perspective on ghosts the afterlife and reality In this psychological thriller a scientist and her team make a shocking discovery that intertwines the supernatural with the logical and dreams with the truth **The Flying Jj Ranch** Sir Matthew of

Denver,2008-03-10 Can the Love and Faith of a stranger change the destiny of one mans life Discover the power of love and friendship in this thrilling story of Chris and Matthew of the Flying JJ Ranch **Cease to Blush** Billie Livingston,2010-01-11 Billie Livingston s second novel leads us to consider the nature of our hidden lives and desires and to question whether the sky would really fall if we admitted our true needs and ceased to blush As Cease to Blush opens Vivian is late to her own mother s funeral Wearing a tight red suit Vivian stands out like a pornographer s dream amongst the West Coast intellectuals mourning the death of prominent feminist Josie Callwood But for all of her bravado Vivian finds herself emotionally numb and spiraling downward Vivian and her mother were in constant conflict with Josie disapproving of her daughter s lifestyle her inclination to use her body instead of her brain and her so called acting career which has amounted to little more than playing prostitutes and the odd dead body For her part Vivian has been invested in antagonizing her mother s feminist ideology As the story opens Vivian s career as well as her relationship with boyfriend Frank is taking an unsavoury turn as she wades into the quick cash scheme of Internet porn with herself cast in the lead But Josie has left a big surprise for her troubled daughter a trunk full of mementoes from her own past all of which point to a secret life more exotic than anything Vivian has been able to pull off Puzzling together bits and pieces Vivian learns that her mother was at one time a burlesque performer named Celia Dare who rubbed shoulders with the flashiest celebrities of the sixties Vivian becomes determined to uncover the true story of her mother s life Chasing rumours Vivian sets off down the Pacific coast and soon finds out that truth is a slippery snake With only a few of her mother s letters some guarded anecdotes from Josie s former confidant and a slew of books about the sixties Vivian begins to re create her mother s life placing her at the heart of some of the biggest events and scenes of the era From the protests and beat coffeehouses of Haight Ashbury to the frenzied nightlife of Rat Pack Vegas from the political soir es of New York to mob meetings in glitzy Miami hotels Celia Dare saw and did it all Yet the glamour hid an ugly underbelly and as Vivian peels away the layers of the past she begins to uncover her own emotional truths as well Cease to Blush drives the bumpy road from the burlesque stages of Rat Pack Vegas to the bedroom Internet porn business exploring just how far women have really come In Vivian Livingston has created the perfect character through which to explore what it means to be an independent woman today with Celia Josie it s clear that things weren t so cut and dry in her day either Though Celia s story is told vividly here its accuracy is impossible to gauge and the ghosts are not talking But maybe this is Celia s gift to Vivian the ability of the past not only to illuminate the future but to re imagine it
