simple things in life that save us all Integrity morals ethics and a simple smile are the tools of an average Jim My experience is life itself nothing more and nothing less I was a Jack of all trades and master of none I started as a Marine and then did a bit of everything truck driver cowboy fence contractor restaurant manager and taxi driver just to name a few Also at one point I hitch hiked across the US My strength and wisdom came with time as it should The common sense approach to life is what brings me around to today My daily inspirational thoughts on the internet have become strength for many and in time I hope will be one of the strengths of my book My public speaking thus far has been filled with music laughter and inspiration People are searching in many ways for answers when they are right there in front of them and that is what makes this book so inspirational and introspective People see themselves through the words I give to my children and in turn find the joy in their own life There are no magic words to restore the basic realities of life but in there own minds All they need to do is take away the distortions of wisdom and intelligence I truly appreciate you taking the time to look at my simple book of life and hope that it will be the inspiration for you to want more Please feel free to contact me and hope to hear from you soon Thank you so much for your time Respectfully James H Kelley How Shall We Then orgive Jeff Quill,2012-03-13 How to Forgive
