Looking Beyond The Mask When American Women Marry Japanese Men:

Looking Beyond the Mask Nancy Brown Diggs, 2016-02-24 *Looking Beyond the Mask* focuses on the personal stories of the growing number of American women who despite vast cultural differences and sometimes because of them are married to Japanese men. Although the problems encountered in such marriages are similar to those found in any union, there are cultural implications that can exacerbate almost any of them. Potential areas of conflict are examined such as in laws, customs, and manners, values, living conditions, religion, communication, sex, and gender, and raising children. The book deals with meeting such challenges and attempting to look beyond the cultural masks to see the real people behind them. The women in question stress the importance of commitment, a flexible attitude, a strong sense of identity, a support network, a sense of perspective, and a sense of humor. They also reveal the benefits of these marriages, including a greater appreciation for Japanese ways and the opportunity to continually grow and learn. Based on extensive research, the book provides a new look at Japan from the unique perspective of those American women most intimately involved with its culture. **Identity,**

Gender and Teaching English in Japan Diane Hawley Nagatomo, 2016-04-07 How do teachers who have chosen to settle down in one country manage the difficulties of living and teaching English in that country? How do they develop and sustain their careers, and what factors shape their identity? This book answers these questions by investigating the personal and professional identity development of ten Western women who teach English in various educational contexts in Japan, all of whom have Japanese spouses. The book covers issues of interracial relationships, expatriation, equality, and employment practices, as well as the broader topics of gender and identity. The book also provides a useful overview of English language teaching and learning in Japan. Asian American Society Mary Yu Danico, 2014-08-19 Asian Americans are a growing

minority population in the United States. After a 46 percent population growth between 2000 and 2010, according to the 2010 Census, there are 17.3 million Asian Americans today. Yet Asian Americans as a category are a diverse set of peoples from over 30 distinctive Asian origin subgroups that defy simplistic descriptions or generalizations. They face a wide range of issues and problems within the larger American social universe despite the persistence of common stereotypes that label them as a model minority for the generalized attributes offered uncritically in many media depictions. *Asian American Society: An Encyclopedia* provides a thorough introduction to the wide-ranging and fast-developing field of Asian American studies. Published with the Association for Asian American Studies (AAAS), two volumes of the four-volume encyclopedia feature more than 300 A to Z articles authored by AAAS members and experts in the field who examine the social, cultural, psychological, economic, and political dimensions of the Asian American experience. The next two volumes of this work contain approximately 200 annotated primary documents organized chronologically that detail the impact American society has had on reshaping Asian American identities and social structures over time. Intercultural Couples Jill M. Bystydzienski,2011-05-23 Despite the growing presence of intercultural couples in the United States and worldwide their stories often go untold In Intercultural Couples Jill Bystydzienski provides a rare and comprehensive understanding of the multidimensional experiences of intercultural couples drawing mainly upon in depth interviews with persons living in domestic partnerships heterosexual and same sex representing a broad spectrum of ethnic racial religious socioeconomic and national backgrounds In these relationships each partner brings a different set of cultural experiences that may include gender expectations ideas about

appropriate relations with family members childrearing financial matters and general lifestyle Sometimes differences may be unrecognized or seen as minimal yet some can become salient forming the basis for conflict enriching diversity or both Bystydzienski s findings show that despite hurtful incidents from persons outside the couple partnerships intercultural unions are a source of satisfaction for the partners and are able to bridge divisions and reduce inequalities between persons of diverse backgrounds providing a rich portrait of how these couples negotiate their identities as individuals and as couples in relation to the outside world Wedding as Text Wendy Leeds-Hurwitz,2002-12-18 A wedding serves as the beginning

Women's Studies ,2002 *Breaking the Cycle* Nancy Brown Diggs,2013-10-09 Breaking the Cycle tells the inspiring story of young people whom many would write off as a lost cause but who thanks to a remarkable school are headed for success We learn about their world from teens like Shawna the daughter of a crack addicted mother Or Andre the only one in his family not on drugs Or Daron kicked out of his home by an abusive father Challenged by the pernicious factors of their

environment drugs violence fatherless homes and poor educational backgrounds students at the Dayton Early College Academy are nevertheless beating the odds All are headed for college from which the vast majority will graduate The book reveals how this school is succeeding when so many fail It conveys the hopeful message that others can replicate much of what DECA does and save a generation mired in despair America s failure to educate its urban children is evidenced by our woeful statistics If it is possible to turn around this bleak picture and it is this is a story well worth telling And this is what Breaking the Cycle aims to do For more information on the book including interviews with the author please check out www.nancybdiggs.com *Forthcoming Books* Rose Arny,2001 **New Books on Women and Feminism** ,2001 Feminist Periodicals ,2002 *The British National Bibliography* Arthur James Wells,2003 **Alternative Press Index** ,2003
