Van Fraassen,1985-10-15 Churchland and Hooker have collected ten papers by prominent philosophers of science which challenge van Fraassen s thesis from a variety of realist perspectives Together with van Fraassen s extensive reply these articles provide a comprehensive picture of the current debate in philosophy of science between realists and anti realists Jeffrey Bub and David MacCallum Foundations of Physics Letters

Education: Ends and Means Julius A. Sigler,1997 In American society the ends and means of education have been debated vigorously throughout its history Most Americans enthusiastically and eagerly supported the development of public education in the mid 19th century They perceived it to be a positive force for mobility and democracy While some complained that too much Obook learningO was a waste of time most Americans were delighted with the developments of the American educational system which appeared to be a foundation for our political system
