Honoring God with Body and Mind Steven D. Hoogerwerf, 2019-11-13 Have you ever wondered how it would look to live out a Christian sexual ethic amid the varied and confusing sexual messages that are part of modern culture Does the Christian tradition provide us with a way to think about and act on our natural God given sexual desires *Honoring God with Body and Mind* invites readers to consider these questions and some ways of answering them by guiding them into a conversational style of moral reflection Unlike many books about Christians and sex this one doesn't simply tell you what to do or not to do Instead you will be led to think about how the meaning of sex can provide sexual boundaries but also how the relational dimension of sex and the virtue of sexual integrity can provide a context for sexual decision making Informed by many years of conversations with college students the author also invites you to think about practical questions such as these Can men and women be friends without the complications of sexual attraction If I haven't always included Christian values in my sexual practices and carry some painful memories and regrets is there any hope of healing What is lust Is masturbation sinful Can virginity be reclaimed

Losing the Love of Your Life Betty Yoes Richardson, 2018-10-06 Daddy taught us how to die Darren Happiness and laughter surrounded him throughout his life even as his path darkened with unrelenting cancer that slowly took his life however his story would not be of defeat for even sickness could not change who he was Kind and loved beyond measure he brought a steadiness to a world that wavers in doubt stress and whys These pages will witness God's presence in good times and times of deep need and longing They will speak to those that love are loved hope for love and especially to those living loveless about the gambit of everyday joy sorrow and hope through his and his family's ordinary lives After a shared lifelong love affair with this caring husband their final journey together ended with this author in despair Questions flowed not from lack of faith they flowed from the fragility of a broken heart She soon discovered that the old saying is true You better watch what you ask for Bombarding heaven's gate with God why do you give us such deep love when one day we have to say goodbye and Where does that love go and God where are you in our despair and God what are we to do and many other questions the answers sometimes arrived gently and quietly as well as in incredible even overwhelming ways The blessings of decades of love the parting and crushing grief with endless seeking of healing and especially revelations from our Lord have been told in these pages through the life of a husband father and grandfather named Terry who lives forever with God and in many hearts Terry found the Way to real life Yes he showed us how to die but most importantly he showed us how to live

Never

Meant to Be Alone Justin Hendrix,2024-12-27 We tend to think of singleness as simply the absence of marriage We think its value comes from the freedom that entails Yet singleness is not empty We perceive it as such because we struggle to articulate its real worth Singleness and marriage are complements not opposites Both point toward union with God in Christ They rest on the same promises and they participate in the same reality There are distinct elements of God s character and purposes that are revealed in singleness just as there are in marriage The goal of this book is to see his beauty more clearly from the vantage that singleness offers
