MATCH4LOVE Jorge Dyszel, 2024-06-17 With a rich tapestry of experience across 15 countries Jorge's global footprint would make most travel bloggers green with envy. But it's his writer's hat that truly makes Jorge's story a blockbuster. His passion for weaving words has not only produced captivating narratives but it has also equipped him with a unique cinematic flair, turning the drab world of trading into a riveting screenplay. Trainees, whether rookie or old hat, get a touch of Hollywood drama with their dose of trade wisdom. Now let's talk cinema. Jorge isn't just a fan; he's a game changer. He pioneered a method to usher blind individuals into the magical realm of theaters, a contribution that garnered him standing ovations across the globe. A creative force with a holistic approach, Jorge is in the business of turning ventures into vibrant victories. To him, life isn't merely a reel of past events; it's the art of sculpting those experiences into captivating tales. MATCH4LOVE is not just a book; it's an extension of Jorge's fascinating journey. Grab your popcorn; it's going to be a delightful read. Love's Light Dana Nicole Haley, 2016-05-31 Love's Light is a refreshing dive into a blissful state. It is meant to be enjoyed in any way you like: front to back, back to front, jumped into in the middle, one page at a time, or all pages at once. Let the words and images engulf you in the feeling of paradise right at this very moment. Step into Love's Light. **Modern Spirituality** Aastha Rajwade, 2022-10-06 In this modern era where there is sorrow, pain, and suffering, how can we have influence over our lives and make it heaven? I have mentioned all of these in my book. I have unfolded little secrets to live the most fulfilling life ever. After reading this book, Modern Spirituality, your life will transform miraculously in immense ways. **The Business That is Not Business—Marriage** Olehile Moses Setilo, 2025-07-17 When one starts a business, one researches, conducts background checks, drafts business plans, works on the budget, and focuses on establishing, running, and growing the business, and continually evaluates to improve where necessary. Why not do the same for marriage, since business and marriage both have direct psychosocial, physical, emotional, and economic impacts on one's life? Hence, throughout this book, there is a thread of a business concept that runs across, stitching out marital activities to business. The idea is meant to give reality, confront, mitigate challenges, accompanying marriage, provoke deep thinking, and keep one attentive. This book also serves as a lamp in a marital voyage. In The Business That is Not Business Marriage, author Olehile Moses Setilo discusses making marriage your business. He helps you understand why marriage is a merger, quantify the happiness index, know your business before you venture into it, learn to spot red flags, consider the cultural influences and differences, realize the power of language in your marriage, analyze the opportunity cost, invest in the marriage, know the factors that can harm your marriage, and acknowledge and internal and external stakeholders. The Business That is Not Business Marriage communicates that marriage is serious business and it must be handled with care. Delving into a range of topics, this guide contributes to strengthening marriages and building strong family base and offers the opportunity to enjoy the serendipity of business familiarity. The bottom line: Marriage is a journey, not a destination. At Home with the Armadillo Gary P. Nunn, 2018-01-23 I want to go home with the

The Motel and other Digressions IRWIN TOUSTER, 2012-09-11 What the hell do you know about running a motel anyway I could hear the chorus of friends and relatives chanting the question as soon as I mentioned of buying such an establishment The idea of acquiring a motel did not originate from some romantic desire to live the life of an innkeeper rather the opportunity to buy one came after our father's will was probated and the amount of money left to Saul my brother and me was not enough to change our lives I wished it had I've always had a desire for fame and fortune if only to test my character It was however large enough to need investing and the motel seemed the right buy I'm a smart guy I replied to the chorus And I can count sheets The answer stopped the question but not the head shaking

companionship to the beauty of unspoken emotions this anthology captures the essence of the heart's deepest feelings
 Written by passionate writers and published by Brown Page Publication this book is a tribute to the magic of love releasing
 this Valentine's Day Let these heartfelt words take you on a journey where love is not just felt but truly lived A book for every
 heart that has loved lost and loved again Detective Jack Diamond Investigations Mary Beni,2012-06-12 CEAs Jack
 Diamond Schuster is an intelligent doctor of forensics He has years of experience with problem solving especially with crime
 scene investigations He doesn't like the district attorneys offices way of doing things Diamond feels that it should be the
 police that solve the crimes The district attorneys staff judges the crimes too soon Schuster has a close partner who he
 appreciates very much Rachel Machiavelli is usually right by his side These two hard working detectives dive head first into
 the crime scene investigations Each crime is unique Jack is sure that there is more than meets the eye in each investigation
 Jack is suspicious all the time Diamond's spiritual love life is tantalizing Diamond smokes cherry cigars so often the reader
 can actually smell the aroma of the cloudy smoke Situations Linda Cannady,2005-02-15 This book was wrote with a sense
 of urgency to prompt those who are in an abusive relationship And to alert those who may be heading in that direction Get
 out of it save money and have an escape plan dont wait on the worst to happen because once you go back the situation gets
 worst and you may say to your self that no one could be that cruel but the best of them can and will Because no matter how
 good you look how good you make love the fact that your a good working person or how much money you have the problem
 comes from within them it could be the way they were raised or a mental problem from birth or both So my advice is never
 get in a relationship with someone to cover the pain from a previous relationship because you will be blinded of their faults
 until its to late Plus even bandages ware out and fall and if you ware a bandage to long it makes your skin pale so never put a
 bandage which is that new person coming in your life on your pain in your heart but let it air out meaning stay single until
 you are sure the wound is completely healed Use that time to get back to number one you And see what you want to do in life
 on you own and then and only then will you be able to see a person for who they really are STAY TUNED FOR SITUATIONS
 PART TWO **Romantica - Cocktail of Romantic Musings** Anuraag Sharma,2014-04-22 These are not just few pages
 with words of love written upon them but these are the rhythms of romance the score of whom has taken birth directly from
 deep within the chorus of the beatings of my heart This is my first book of any kind and I have chosen a poetry book for
 venturing into the world of writing simply because it comes instantly into my mind I do not need to think much for writing a
 poem and according to me same goes for the reading audience too In all there are 15 romantic poems The journey starts with
 the Soft lines of Love Rhyme There is a Gal and ends at the desires engraved in the feelings portrayed by surprising lyrical
 songs Angel and Just for You I am sure that you and your divine diva will find this experience of reading these rhymes worth
 spending few minutes Enjoy with her or read it to feel her presence by your side Happy Reading *The Modern Witch's*
