The Voice of the Seven Thunders George Kevyn Weber, 2014-07-21 There is no time for the people of the world to waste to decide to change their ways and their ways of living The world is in a crisis that it has not been in before Actually the world has been in countless crises in the past before disaster calamity or catastrophe struck the people of the earth We are not talking of crises of natural disasters calamities or catastrophes that have hit the earth we are talking about man made man engineered and man designed disasters calamities and catastrophes that have hit the world from time to time History is full of them and apart from those natural disasters caused by God or the Devil themselves the rest were caused by man themselves Now this revelation is not about the natural but about the spiritual Power mad dictators rulers and potentates the world over are normally the cause of these disasters calamities and catastrophes and nature has little to do with them although they did affect nature in some way or another Small and great Wars were started by whosoever caused them without any due regard of men's lives and the resultant horrors hardships and horrendous pain lived on in the hearts and lives of the people that survived No one can add these things up nor can they count the cost in human suffering misery and pain nor the cost of men's souls lost all for the sake of man's vanity The current synopsis is catchy and intriguing This synopsis is well written and it will entice readers into picking this book up and reading it Cynthia Sherman Writers Literary Publishing

Love Works Ned Wisniewski,2025-05-20 Is it God's will that the world be destroyed That is no longer a believable idea This book starts from the assumption that God has nothing to do with the destruction of the world To account for these facts rather we must look at the deep darkness depicted in the Bible that threatens to return the world to a formless void With that assumption this book proposes a biblical theology that shows how faith and hope can align with our scientific and ethical understandings and how such a thoughtful faith will be active in love So understood the love of God looks less like the love a parent has for a child than the challenging risky love a leader has for disciples whose word to them is follow me In this way we see that love works love is active and love succeeds in defeating the corruption and violence that threaten to destroy our world That's the gospel truth Fearless Love David Maxwell,2024-02-16 Welcome to Serendipity a small town where time

wholeness holiness and connection As much as we have created and cultivated gardens they have had their effects on us In other words our souls have been gardened This book addresses how a receptive engagement with gardening as a spiritual practice can allow for the emergence of a sacred environment where emotions can lead the soul deeper into the experience of more particularly into the development of other embodied spiritual practices The two specific emotions examined are love and sadness which are explored as they grow into the embodied practices of gratitude and everyday joy respectively The emotional experiences in the garden incite wonder excitement and connection nurturing the soul and lead onward towards discerning what embodied spiritual practices may be needed for the journey ahead Our souls are gardened Love Redeemed: Hosea and Gomer's Story Ahmed Musa,2024-12-09 Explore one of the most poignant and powerful stories of unconditional love and redemption in Love Redeemed Hosea and Gomer s Story This heartfelt retelling brings to life the prophet Hosea s divine calling to marry Gomer a woman whose unfaithfulness becomes a reflection of Israel s relationship with God Through heartache betrayal and reconciliation Hosea demonstrates unwavering commitment and forgiveness mirroring God s relentless love for His people Gomer s journey marked by brokenness and ultimate restoration reveals the transformative power of grace and the depth of divine compassion Rich with emotion and profound lessons Love Redeemed is a timeless tale of love that never gives up offering hope and inspiration to readers seeking to understand the boundless mercy of God Perfect for those drawn to stories of forgiveness renewal and the beauty of love s redemptive power
