,1896 The Book Lover ,1904 *Blue Tear Called Love* Irena Docheva,2012-07 After years of wandering around the world of love I found the truth about it I met face to face with that wonderful fairy Love and she shared with me that despite the pain that was tearing her apart she is very happy and didn't want to part with it In my fantasy that fairy was standing smiling among the deserted sands and was holding a heart in love There was blood dripping from her hands but she looked hard and firm She split the heart in two and threw the two halves away from her They fell with ominous strength on the glowing sand started burning and burned away The fairy told me that that had been my heart and that this evil destiny awaited it She opened her scarlet lips and said that love hurts and it was like a cloud which carried many tears to my eyes in love Nevertheless I decided to follow my heart and it was saying When Love looks you in the eyes you will know I will tell you and then you take it right away hold it tight hide it here with me to be happy *Blue Blue I Love Blue* Lashonte Bevel,2015-06-29 People will enjoy this book because this book is entertaining for children Children will want to read the book over and over again There are so many children who can wish to express themselves how they want to This book gives you an insight on how freely you can express yourself in a funny way "Le roman d'une pussie chat;" a tale of ye olden times par Henrique (old man) Ringtail ... tr. from the original Sanscrit by F.
