Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God **The Longest Half Inch** Russ Seel, 2022-06-24 May you feel the love presence and tranquility of God and may your love relationship with Him continue to grow throughout your life and beyond A key question What has God designed and placed us on this earthly journey to learn and or do Are your my heart and action true to that calling If so are we being faithful to becoming what God created each of us individually to be All is well Remember God's words to His disciples This kind goes out but through prayer and fasting Always say All is well Long though the way may seem there is no too much by half God is not only with you on the journey He planned it and is planning it There are and will be unspeakable joys on that journey look for them Courage Courage Why are we so blind as to think earthly life is all there is Why do we ignore the immense treasure of love What does it take to understand and make it so **The Analogy of Love** Gary Chartier, 2015-11-09 This book offers an overview of Christian theology organized around the twin themes of divine and human love The book covers the traditional

theological topics as well as basic questions of theological method. It seeks to integrate a focus on love throughout. While love is regularly canvassed as a dominant theme in Christian thought, it has rarely been the focus of Christian theological construction or a constraint on theological formulation. The book seeks to suggest chapter by chapter how a given topic relates to the broad theme of love. The book is written in a way designed to make it accessible to university students and educated laypersons. At the same time, it takes positions on controverted scholarly issues and the methodological approach outlined at the beginning will be of interest to academic theologians.

It Takes More than Love Brittany Salmon, 2022-04-05

Embrace the beauty and challenges of transracial adoption. Being an adoptive parent is hard enough. But when your family is multiracial, things get even trickier. Parenting transracially doesn't come naturally, nor does it just happen with time. Love is essential, yet by itself, love isn't enough. Cross-cultural parenting also takes intentionality: listening, learning, growing, repenting, changing, then starting all over and doing it again. It's hard work. And yet, when an adoptive family honors the ethnic heritages of their children, the whole family, as well as the watching world, gets to see the beauty of a gloriously creative God. In *It Takes More Than Love*, Brittany Salmon shares her own family's story of transracial adoption and offers a biblically based guide for others following the same path. Brittany recognizes that we live in divided times and there are extra challenges whenever race is part of the conversation. But with wise insight and hard-won experience, she provides guidance about topics such as: Maintaining a Gospel perspective throughout the journey; Celebrating your child's history and heritage; Confronting racism; Responding to comments about your family; Avoiding pitfalls in adoption; Helping your kids feel represented in your home and community. No one is promising transracial adoption will be easy, least of all Brittany. Yet the extra effort is balanced by a beauty that images our eternal destiny. Until the day God makes all things new, the welcoming an inclusive transracial family can help fulfill Jesus's words on earth as it is in heaven.

Christianity as a Way of Life Kevin W. Hector, 2023-09-05

Focusing on Christianity's core practices, a leading theologian imagines Christianity as a way of life oriented toward wisdom. A Seminary Coop Notable Book of 2023. In this book, Kevin W. Hector argues that we can understand Christianity as a set of practices designed to transform one's way of perceiving and being in the world. Hector examines practices that reorient us to God: imitation, corporate singing, eating together, friendship, and likemindedness that transform our way of being in the world; prayer, wonder, laughter, lament, and vocation; and that reshape our way of being with others: benevolence, looking for the image of God in others, forgiveness, and activism. Taken together, the aim of these practices

is to transform one's way of perceiving and acting in the face of success and failure risk and loss guilt and shame love and loss of control These transformations can add up to a transformation of one's very self To make sense of Christianity as a way of life in turn these practices must be understood within the context of Christian beliefs about sin Jesus redemption and eternal life Understanding them thus requires a systematic theology which Hector offers in this clear eyed ambitious and elegant interpretation of the Christian tradition **You Must Love Others** Shri Mataji Nirmala Devi,2002-01-15 Those who must also be loved Shri Mataji explains are those who are not Sahaja Yogis but a waiting for their Self realization In this magazine Shri Mataji travels to Hong Kong Sahaja Yogis report from Mexico and Shri Mataji tells of us of her greatest puja it is that human beings And finally two women at first strangers meet in Sicily only to realize they are both Sahaja Yogis

better message of wisdom than a lesson that has been tried and tested **Human Nature and Other Sermons** Joseph Butler,1887 Total Surrender Matthew Terrill,2014-04-28 Why is it such a struggle for us to surrender everything to God What does surrendering to God even look like and how are we supposed to do it Why is it so hard for us to live the life that Jesus died to give us Is life really supposed to be one constant struggle after another One of the hardest things to do in life is to let go giving God everything and never looking back Laying it all down never picking it up is the only way we can walk through this dark unfair world shining and burning brightly for Jesus Wanting control over our lives is the struggle that many Christians face and the turmoil of that fight is constantly lurking deep in our hearts For many know what to do but few

actually do it surrender When a person holds onto frustration bitterness and the injustices of life their pain slowly evolves into chains that hold him down disabling him to walk through life with peace love joy and compassion The only way to truly live is to die to our selfish nature every day and cast all of our burdens at the feet of Jesus **You Can Master Your Fear** Magdalena Scopelitis,2012-06-26 Be the master of your fear and you can rule over your life Fear is the only obstacle between you and your dreams between you and what you most love So says Archangel Raphael who in this series of channelings unravels the mysteries of fear and through its darkest paths guides you step by step up to the glade of love He helps you tear away fears masks one by one till you come to know its real face only then does he teach you the ways to transmute it into love thus eliminating its disastrous implications According to Archangel Raphael fear shows that somewhere in the deepest part of your being you have chosen hatred versus love and your life cannot have real meaning Only when your fear is transformed can real life happen to you The end of your fear will signal the beginning of your life Until that day comes you will have just lived in a lie in an illusion I am only asking you to give me your fear Archangel Raphael adds and I will give back to you your love the most precious gift you ever had **The Love of God** Christopher W.
