Love and Soulmates Albert David Griffith,2010-04-02 You wish to have love and to be happy This book represents an attempt to give you love and happiness by showing you a view of what love really is and how peace freedom and security surely come with it To help you to be happy the book with your cooperation tries to sneak certain very desirable concepts past your conscious mind and into your subconscious mind The sneaking is necessary because love peace freedom and security can only be known in nonintellectual ways You cannot think your way into them It would be like your trying to learn how an orange tastes by reading about it when you know that the best way to learn that taste is simply to taste an orange In the same way you cannot learn about love by reading about it You have to taste it Here we try to help you to taste love As part of that try we describe what soulmates truly are because the most satisfying of all relationships is the soulmate relationship So what would happen if you found your soulmate Please help us to help you to be happy

Latina/o Sexualities Marysol Asencio,2009-10-26 Latina/os are currently the largest minority population in the United States They are also one of the fastest growing Yet we have very limited research and understanding of their sexualities Instead stereotypical images flourish even though scholars have challenged the validity and narrowness of these images and the lack of attention to the larger social context Gathering the latest empirical work in the social and behavioral sciences this reader offers us a critical lens through which to understand these images and the social context framing Latina/os and their

sexualities Situated at the juncture of Latina o studies and sexualities studies Latina o Sexualities provides a single resource that addresses the current state of knowledge from a multidisciplinary perspective Contributors synthesize and critique the literature and carve a separate space where issues of Latina o sexualities can be explored given the limitations of prevalent research models This work compels the current wave in sexuality studies to be more inclusive of ethnic minorities and sets an agenda that policy makers and researchers will find invaluable **Sex, Love, and Friendship** Adrienne Leigh

Falling in Love, 2006-05-31 Falling in love with all its accompanying problems was a subject of obsessive interest among writers and readers in the Ming Dynasty when society held strictly to arranged marriages The stories in this engaging collection all deal with this theme in very different ways sometimes comically sometimes tragically They portray young people choosing their own lovers resorting to ingenious stratagems and risky escapades in defiance of contemporary mores Chosen to represent the best works from the great age of the vernacular story they offer an admirable introduction to the world of Chinese fiction in this era All of the stories in Falling in Love have been translated especially for

this volume and most appear here in translation for the first time They are taken from two works Constant Words to Awaken the World Xing shi heng yan and a related collection The Rocks Nod Their Heads Shi dian tou both published in the early seventeenth century

Married Love Marie Carmichael Stopes,2004 In my own marriage I paid such a terrible price for sex ignorance that I feel that knowledge gained at such a cost should be placed at the service of humanity The book that was to become *Married Love* grew from Marie Stopes s conviction that the state of modern middle class marriage was like her own desperate and that the cause of this desperation was sexual unhappiness She knew her book would probably electrify this country and it remains one of the best known sex manuals ever written It combines a lyrical evocation of marital love with a no nonsense and detailed account of sexual intercourse and sexual pleasure that was a sensation when it was published in 1918 Stopes advocated equality in marriage and the importance of women s sexuality and sexual desire as well as openly supporting birth control In this edition of Stopes s ground breaking work Ross McKibbin s introduction reveals fascinating insights into Stopes and prevailing attitudes to class religion science and above all sex

Loving God'S Way Klaas H Baloyi,2016-02-29 Love is not an expression but a powerful act to be demonstrated by those who choose to engage in or share it Society has socialized people into believing love as something they do not have control over Love continues to be viewed as a sudden occurrence that ambushes those who share it without them giving a deep thought of what they are engaging themselves into As the phrase falling in love connotes people have taken it for what it sounds on face value than an expressive phrase it actually is Love cannot be a feeling but a choice It is a conscious decision that one takes at a particular point This book therefore seeks to demystify how love is not a feeling but a decision Yes True love does exist For one to experience it it is important to understand its essence and how it unfolds Gods philosophy of love provides a basis from which to understand and experience the beauty of love That love which regards not of its own but of the other Love is a peculiar partnership which neither anticipates nor forces a contribution of the other partner Engaging in a love relationship however can set you on a path that determines whether you will experience heaven or hell on earth Choosing right is therefore vital
