Blue Tear Called Love Irena Docheva,2012-07 After years of wandering around the world of love I found the truth about it I met face to face with that wonderful fairy Love and she shared with me that despite the pain that was tearing her apart she is very happy and didn t want to part with it In my fantasy that fairy was standing smiling among the deserted sands and was holding a heart in love There was blood dripping from her hands but she looked hard and firm She split the heart in two and threw the two halves away from her They fell with ominous strength on the glowing sand started burning and burned away The fairy told me that that had been my heart and that this evil destiny awaited it She opened her scarlet lips and said that love hurts and it was like a cloud which carried many tears to my eyes in love Nevertheless I decided to follow my heart and it was saying When Love looks you in the eyes you will know I will tell you and then you take it right away hold it tight hide it here with me to be happy

Snook, 2013-07-02 Having abandoned his wife life family and homeland the narrator of My Year of Love flees to Paris to begin his life over again and finds himself having to rescue himself from the freedom he believed he desired I would never have believed that freedom could be a form of captivity freedom can be like a primeval forest or like the ocean you can drown in it or disappear and never ever find your way out again With a combination of confession complaint and sensual detail a break is made with the narrator's past and through writing this very novel the days of his year of love find an order and expression *Love in Earnest* John Galsworthy, 1892 *In Cupid's Chains and Other Poems. Thoughts about Love and Other Thoughts. Spiritual Evolution* Benjamin Franklin Woodcox, 1912 *Poems of Love and Life* Gertrude Colmore, 1896 **The Riddle of Cantinflas** Ilan Stavans, 2012-12 Ilan Stavans's collection of essays on kitsch and high art in the Americas makes a return with thirteen new colorful conversations that deliver Stavans's trademark wit and provocative analysis A Dream Act Deferred discusses an issue that is at once and always topical in the dialogue of Hispanic popular culture immigration This essay generated a vociferous response when first published in The Chronicle of Higher

Education as the issue of immigration was contested in states like Arizona and is included here as a new addition that adds a rich layer to Stavans's vibrant discourse. Fitting in this reconfiguration of his analytical conversations on Hispanic popular culture is Stavans's *Arrival Notes from an Interloper* which recounts his origins as a social critic and provides the reader with interactive insight into the mind behind the matter. Once again delightfully humorous and perceptive Stavans delivers an expanded collection that has the power to go even further beyond common assumptions and helps us understand Mexican popular culture and its counterparts in the United States.

Sampling Politics

Marianne Franklin, 2021 Music sampling has become a predominantly digitalized practice. It was popularized with the rise of Rap and Hip Hop as well as ambient music scenes but it has a history stretching back to the earliest days of sound recording and experimental music making from around the world. Digital tools and networks allow artists to sample music across national borders and from diverse cultural traditions with relative ease prompting questions around not only fair use copyright and freedom of expression but also cultural appropriation and copywrongs. For example non commercial forms of sharing that are now commonplace on the web bring musicians and their audiences into closer contact with emerging regimes of commercial web tracking and state sponsored online surveillance. Moreover when musicians actively engage in political or social causes through their music they are liable to both commercial and state forces of control. Shifts back to corporate ownership and control of the global music business online and offline highlight competing claims for commercial

and cultural ownership and control of sampled music from local communities music labels and artists Each case study is based on archival research close listening and musical analysis alongside conversations and public reflections from artists such as David Byrne Annirudha Das Asian Dub Foundation John Cage Brian Eno Sarah Jones Gil Scott Heron Karlheinz Stockhausen Dunya Yunis and Sonia Mehta Sampling Politics provides ways to listen and hear again how sampling practices and music making work on its own terms and in context In so doing M I Franklin corrects some errors in the public record addressing some longstanding misperceptions over the creative legal and cultural legacy of music sampling in some cases of rich and complex practices that have also been called musical borrowing cultural appropriation or theft This book considers the musicalities and musicianship at stake in each case as well as the respective creative practices and performance cultures underscoring the ethics of attribution and collaboration when sampling artists make music *The Love that Prevailed* Frank
