Boursier, 2022-04-27 Using ethnographic research *Willful Ignorance: Overcoming the Limitations of Christian Love for Refugees Seeking Asylum* examines the attitudes of clergy and lay leaders regarding their inattention to racism as it intersects with the harsh reality of U.S. immigration policies and practices This multi-faceted work begins with a reality check on the scope of forced migration and its intersection with the historical legacy of racism in America including testimonies from displaced migrants and immigration advocates who help to alleviate state-inflicted suffering at the U.S. Mexico border Helen T. Boursier examines the rationales Christian leaders use to justify the local church's nominal response including the discursive buffers and stall tactics they use to deflect their lack of preaching teaching leadership and or ministry with displaced migrants who are their near neighbors The Christian church's firm foundation to embody love as social justice provides a historical rebuttal while case studies of congregations that offer displaced migrants compassionate hospitality model exemplary contemporary response Closing with practical suggestions for how to begin building bridges with migrants Boursier argues for a philosophy of religion that embraces resistance to racism and exclusion from asylum through a missiology of compassion that exemplifies an ecclesiology of love *The Sonnets* William Shakespeare, 2001-12-01 Together with *A Lover's Complaint* and little known alternative versions of four of the sonnets Edited with an introduction by Stanley Wells the most beautifully printed text available **Queen Kate, Or, A Wilful Lassie** Charles Garvice, 1894 *An Intentional Life* Andrew Fitz-Gibbon, 2012-10-17 Author Andrew Fitz-Gibbon writes These musings are something of a window on my spiritual and philosophical journey The journey did not begin recently nor does it end with the last of these reflections These serve as but a glimpse into my personal odyssey Though these reflections are not in any way polished philosophy nor systematic theology the careful reader will be able to piece together what I think about metaphysics what is the case epistemology how we know what we think we know ethics how we ought to live and aesthetics what is beautiful and why I comment also on understandings of God Christ Christianity the Buddha Daoism and interfaith dialogue *Intentional Disciple* Sherry Dale, 2020-09-17 I have never seen so much rich in depth content saturated with Scripture contained in a one
