contributions to these important subjects Moreland concludes the volume with his own essay Reflections on the Journey God's Design for the Church (Foreword by Glenn Lyons) Conrad Mbewe, 2020-09-15 What Is the Church Ahead Foundational Truths from God's Word At the beginning of the twentieth century Christians in Africa numbered approximately nine million by the end that number had grown to more than 380 million As the number of Christians continues to grow African pastors are often overwhelmed and in desperate need of guidance Drawing from three decades of pastoral experience in Zambia Conrad Mbewe has written a comprehensive handbook specifically for African pastors and church leaders Structured around twenty commonly asked questions about God's design for the church this helpful resource covers topics ranging from the definition of church and the role of church members to the importance of doctrine Through this book Mbewe aims to equip pastors and leaders with biblical principles that will permeate the landscape of Africa and transform its churches for generations to come Published in partnership with the Gospel Coalition THE POWER OF THE YOKES Carlton Foster, 2024-06-26 THE POWER OF THE YOKES allows you to tap into deeply hidden emotions and gives you a new perspective on how the enemy can entrap you Every unconfessed sin creates an open door for you to be yoked by Satan It teaches you that God may not spare you from pain but He will never abandon you God uses your pain to mold you and prepare you for a harvest This book reassures you never to give up and that even when it seems like God is silent He is holding you in the palm of His hands When you are yoked you are only a shadow of who God says you are The things that yoke you do not define you but build character in you Everything that happens to you as a child affects and carries through the rest of your adult life 15 Things Seminary Couldn't Teach Me Jeff Robinson Sr., Collin Hansen, 2018-03-15 Some lessons can t be learned in a classroom A seminary education is immensely valuable offering theological preparation spiritual formation and wise mentoring But many new pastors are discouraged when the realities of their first call don t line up with what they came to expect from assigned readings and classroom discussions Bridging the gap between seminary training and real life in a local church fifteen veteran pastors and ministry leaders offer advice and encouragement related to a host of real world issues such as leading congregations through seasons of suffering handling conflict accepting a call leaving a church and more Whole-Life Mission for the Whole Church Mark Greene, Ian J. Shaw, 2021-03-17 The sacred secular divide permeates our churches our seminaries and our lives By perpetuating the false belief that there are some areas of life that are not important to God some callings that are second class and some spheres of society that are not worth engaging the sacred secular divide diminishes our understanding of God discipleship missiology and the gospel itself Seeking to liberate the global church from the power of this dichotomy Whole Life Mission for the Whole Church provides theological educators with the tools they need to combat the sacred secular divide in the very realm where it is so often generated the classroom Filled with contributions from practitioners around the world this book contains a wealth of insight into both the nature of the problem and the possibilities for its solution The approaches suggested here are biblically rooted contextually

The Second Commandment Joey R. Peyton, 2024-02-07 In an increasingly broken world filled with hate and violence God s plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one s heart mind soul and strength and a commandment to love one s neighbor as one s self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don't like A choice to love what you don't understand A choice to love until the God you love sets everything This Jesus We Talk About Bill King, 2015-04-30 How would you answer questions about the Christian right in eternity faith In this book a doubter whom the author named Thomas asks many of the common questions that can lead to a resistance in accepting the Christian faith Thomas friend named Matt who relates thoughts understandings and experiences of the author writes his answers in the form of letters back to Thomas The author writes of a God that is gracious forgiving accepting and ever loving And he explores what it is like to be in continuous fellowship with God through Jesus Christ It is a fellowship free for the asking a gift waiting to be given This book is an invitation to be Gods friend Before you accept such an invitation you may want to know more about the God doing the inviting The book presents God as a loving father who wants us to come home Discover the love and grace of God thought Jesus Christ a love that will draw you into that intimate friendship LAWRENCE GERATY Ph D President Emeritus La Sierra University I highly recommend THIS JESUS WE TALK ABOUT It is a theologically sound exploration of many of the most common questions concerning the Christian faith The authors lifetime search for a living faith is evident as he explores the answers to questions that would challenge a faith in Jesus LELAND YIALELIS M Div from Andrews Theological Seminary Bill King is a man of faith and intellect the convergance of those two make this book a must read HAROLD WATKINS Attorney at Law THIS JESUS WE TALK ABOUT explores experiences within this broken world that present questions doubts and struggles The author shows the value of a personal relationship with Jesus Christ that brings meaning healing and belonging resulting in a loving relationship with Jesus Christ others and oneself STEPHEN DANIEL Ph D Clinical Psychology from Biola University I heartily recommend Bill Kings book
