Sexual Citizenship David Evans, 2013-01-11 This enthralling and provocative book provides a new grounding for the understanding of sexual rights It argues that all varieties of sexuality under capitalism are materially constructed out of the complex interrelationship between the market and the state The examples of different sexual rights and lack of rights that it examines include the experience of male homosexuals bisexuals transvestites transsexualists and children Meticulous focused and challenging it will be required reading for anyone interested in modern human sexualities Love and Intimate Relationships Norman M. Brown, Ellen S. Amatea, 2013-06-17 Using a style that draws students into the ongoing inquiry into how intimate relationships work Love and Intimate Relationships investigates the life cycle of relationships influences that affect them theories behind them and ways to improve them Dozens of stories from students themselves case examples and over 150 tables figure and the cartoons of Don Edwing of Mad Magazine help bring the material alive The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject Love and Intimate Relationships helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology marriage counseling human relations and sexuality and interpersonal relationships Sexual Citizenship David Trevor Evans, 1993 This provocative book provides a new grounding for the understanding of sexual rights It examines the ways in which sexuality is constructed with reference to the rights and lack of rights of homosexuals transvestites children and others **The Changing Dynamics of Bisexual Men's Lives** Eric Anderson, Mark McCormack, 2016-05-05 This important book provides unique new knowledge on the lived experience of openly bisexual men without medicalizing or pathologizing them Presenting research from sexology sociology and psychology it features extensive findings on the sexual social romantic and emotional behaviors of the 90 men interviewed in the U S and U K Issues and challenges are examined in such areas as identity and self concept along with the burden of social erasure and the paradox of stigma from both the gay and straight communities However the research reveals evidence of a recent cultural transition toward acceptance of bisexual identity and behavior

with younger bisexual men experiencing better social lives and increased recognition of the legitimacy of bisexuality Among the topics covered Examining the components of sexuality Measuring and surveying bisexuality Bisexual burden Demonstrating a generational cohort effect Expansion of gendered boundaries Erosion of the one time rule of homosexuality Coming out in the 21st century Bringing clarity and focus beyond the gender binary and compelling insights into why society and science have trouble shedding that paradigm The Changing Dynamics of Bisexual Men s Lives will interest sexuality scholars sexologists and social scientists studying the social aspects of sexuality

Handbook of the New Sexuality Studies Steven Seidman,Nancy Fischer,Chet Meeks,2007-03-12 As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines the expanding book market has been filled with specialist oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience Addressing this imbalance this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of this emerging field Its central premise is to explore the social character of sexuality the role of social differences such as race or nationality in creating sexual variation and the ways sex is entangled in relations of power and inequality Through this novel approach the field of sexuality is considered for the first time in multicultural global and comparative terms and from a truly social perspective This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies and interviews with twelve leading scholars in the field which convey some of the most innovative work being done Each contribution clearly conveys the latest research with examples Ideal for students of gender and sexuality studies this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies

Lesbian Love and Relationships Suzanna Rose,2013-09-13 Explore the broad range of healthy lesbian attitudes and behaviors in love friendship self image and society This pioneering book makes a revolutionary assumption that lesbian and bisexual women are normal if not average Instead of focusing on which family or genetic quirks might produce lesbians these studies turn attention to describing the healthy ways lesbians interact with each other with heterosexual women and with society The result is a significant exploration of uncharted territory Lesbian Love and Relationships examines the lives of lesbian and bisexual women from adolescence to old age addressing issues of class and race as well as sexual orientation It encompasses theory empirical research and memoir on such diverse topics as physical appearance cross generational friendships butch femme issues and lesbian sexuality It also looks at such difficult and painful issues as lesbian domestic violence and the impact of homophobia on lesbian couples Lesbian Love and Relationships asks personal political and psychological questions including how do young lesbians find each other what makes successful lesbian relationships last how does social class affect African American lesbian relationships what was it like growing up lesbian in the South during World War II does lesbian bed death exist This

compendium offers exciting original research in a neglected field Lesbian Love and Relationships is an essential resource for anyone interested in women's lives and sexuality as well as scholars in the field *The Bloomsbury Handbook of Sex and Sexuality in Game Studies* Matthew Wysocki, Steffi Shook, 2025-01-09 The Bloomsbury Handbook of Sex and Sexuality in Game Studies consists of a comprehensive collection of essays that review and supplement current work focusing on sex and sexuality in games The chapters provide insight into sexual content in games representation of various sexualities and player experience Together they contribute to a growing field of work concerning two difficult to define phenomena the borders of sex and sexuality and video games As we frequently see debates and discussions over who gets to love whom and who gets to exist in their true self this handbook plays a part in outlining the parameters of crucial issues within the games that we play
