sounded using these generally weird phrases instead of just speaking in plain English Sudakow says I wanted to call attention to the way we were all communicating and see if we could change it Ironically not only did his experiment not deter their use of any of the expressions on his whiteboard Sudakow found that his colleagues put up with the hazing with seemingly far too much enjoyment and also began to actually if not enthusiastically add additional phrases to his whiteboard taking great pride in their contributions That whiteboard became the premise for his new book Picking the Low Hanging Fruit and Other Stupid Stuff We Say in the Corporate World a humorous corporate glossary that sheds an irreverent light on the weird things we say in the corporate world every day **The Complete Idiot's Guide to a Smart Vocabulary** Paul McFedries,2001 Defines over 1 000 words in subject areas such as people computers business law culture and government as well as foreign terms and new words **Learned Helplessness** Colonel Vaughan Witten, Ph.D.,2021-08-06 Learned Helplessness The Poison Pill Threat to Black America By Colonel Vaughan Witten Ph D Learned Helplessness The Poison Pill Threat to Black America discusses the self destructive behavior of the American Black male his delusional belief of victimization by a white society as the primary reason for his failure to acclimate and succeed in today s capitalistic America This engrained worldview thereby sufficiently blinds him and the general Black culture to the concept that discipline sacrifice and industry are their only escape from their dilemma instead of their rearview blame pity and destructive behavior This helplessness learned and absorbed in their psyche negates any macro attempt to thrive as an independent self sufficient and competitive subculture in America Low-Hanging Fruit Randy Rainbow,2024-10-08 Tart sassy and hilariously funny from start to finish Rainbow s book offers laughter as a tonic for troubled times Kirkus Reviews A new essay collection by adored comedian and New York Times bestseller Randy Rainbow Randy Rainbow has a few things on his mind that he wants to talk about As a savvy social commentator tuned into the public discourse his unfailing intuition tells him that the perspective everyone in America is clamoring for is that of a privileged white male complaining about a bunch of shit While writing his New York Times bestseller Playing With Myself Randy saw an America in crisis He knew that what the country needed to get back on its high heels was a hard hitting gay agenda and here it is Low Hanging Fruit a book filled with sparkling whines a few flutes of champagne problems and a Birkin bag of the most pressing issues facing the US from dancing TikTok grandmas to Elon Musk the GOP and Donald Jessica Trump On the down low Randy dishes up some sex talk about life on the dating apps Craigslist hookups and more Gurl wait till you hear the story about the fireman and the goggles Randy s longtime companion the glamorous Chinchilla Silver Persian cat Tippi makes an appearance as she dishes about her life Chez Randy And in the most highly anticipated sequel since Top Gun Maverick Randy continues the conversation with his mother Gwen because who knows better than the Jewish mother of a gay man about how to solve America s problems Randy Rainbow s Low Hanging Fruit a bold manifesto for a nation desperately in need of a makeover **Introduction to the Theory of Constraints (TOC) Management System** Thomas B.
