Fashioning the City Agnès Rocamora, 2009-04-30 While much attention has been paid to the making of Paris in the work of writers and artists little is known about the city as defined and created by the fashion media Filling this gap in studies of the French capital this original and illuminating book focuses on how the French fashion press with its rich conjunction of words and images has been able to construct Paris as a leading world fashion city Based in an original analysis of fashion writing and images in contemporary French fashion magazines and newspapers the book shows how the fashion media have been central to the consecration of the city of Paris on the fashion map as well as its celebration in the collective imaginary Agnes Rocamora explores for example the figures of la Parisienne and la passante the female passer by and the presence of the Eiffel tower in fashion visuals She gives attention to the continuum between the French journalistic discourse and that of cultural forms such as films paintings and literature thus revealing the persistence across texts and time of visions of Paris and shedding light on the production and reproduction of the Paris myth

Letters of T. S. Eliot Volume 8 T. S. Eliot, 2019-01-15 Eliot is called upon to become

the completely public man He gives talks lectures readings and broadcasts and even school prize day addresses As editor and publisher his work is unrelenting commissioning works ranging from Michael Roberts s *The Modern Mind* to Elizabeth Bowen s anthology *The Faber Book of Modern Stories* Other letters reveal Eliot s delight in close friends such as John Hayward Virginia Woolf and Polly Tandy and his colleagues Geoffrey Faber and Frank Morley as well as his growing troupe of godchildren to whom he despatches many of the verses that will ultimately be gathered up in *Old Possum s Book of Practical Cats* 1939 The volume covers his separation from first wife Vivien and tells the full story of the decision taken by her brother following the best available medical advice to commit her to an asylum after she had been found wandering in the streets of London All the while these numerous strands of correspondence are being played out Eliot struggles to find the time to compose his second play *The Family Reunion* 1939 which is finally completed in 1938
