## **Lrrp Team Leader:**

**LRRP Team Leader** John Burford, 2011-01-12 For the LRRPs courage was a way of life Vietnam 1968 All of Sergeant John Burford s missions with F Company 58th Infantry were deep in hostile territory As leader of a six man LRRP team he found the enemy staged ambushes called in precision strikes and rescued downed pilots The lives of the entire team depended on his leadership and their combined skill and guts A single mistake a moment of panic could mean death for everyone Whether describing ambushes in the dreaded A Shau Valley or popping smoke to call in artillery only yards away from his position Burford demonstrates the stuff the LRRPs are made of the bravery daring and sheer guts that make the LRRPs true heroes Eyes Behind the Lines: US Army Long-Range Reconnaissance and Surveillance Units James F. Gebhardt, 2005 Eyes Behind the Lines US Army Long Range Reconnaissance and Surveillance Units is the 10th study in the Combat Studies Institute CSI Global War on Terrorism GWOT Occasional Paper series This work is an outgrowth of concerns identified by the authors of On Point The United States Army in Operation IRAQI FREEDOM Specifically these authors called into question the use of long range surveillance LRS assets by commanders during that campaign and suggested an assessment ought to be made about their continuing utility and means of employment This revision contains some important additional information the author received after this book was originally published Major Retired James Gebhardt of CSI researched and wrote this Occasional Paper with that end in view In this study Gebhardt surveys the US Army s historical experience with LRRP and LRS units from the 1960s Cold War and Vietnam War through their resurgence in the 1980s and use in Operations JUST CAUSE and DESERT STORM to the advent of the GWOT The paper s analytical framework examines each era of LRS units in terms of doctrine organization training materiel leadership and personnel In doing so the author makes a strong case for continuing the LRS capability in the Army s force structure The variety of environments and enemies likely to be faced by the military in the GWOT continues to demand the unique human intelligence abilities of trained and organized LRS units As the Army leads the Armed Forces of the United States in combating terrorists where they live the lessons found in this survey remain timely and relevant **United States Army Aviation Digest** ,1970 **Inside the LRRPs** Col. Michael Lee Lanning, 2011-07-20 Vietnam was a different kind of war calling for a different kind of soldier The LRRPs Long Range Reconnaissance Patrols were that new breed of fighting man They operated in six man teams deep within enemy territory and were the eyes and ears of the units they served This is their story of perseverance under extreme hardship and uncommon bravery and how they carried out the war s most hazardous missions *Bonding of Warriors* (Compiled by) Bob Hernandez, 2014-08-18 They were men who were just the best at what they did They had to have patience and a good instinct for survival in the type of covert warfare we were involved in They also had to have the ability to accept danger and hardship without succumbing to the stress that went along with it They were good at what they did and they liked it *Phantom Warriors* Gary Linderer, 2008-12-10 Here are some of the most courageous missions executed by six man

teams on their own deep behind enemy lines Ranging from the Central Highlands to the Mekong Delta to excursions authorized and unauthorized into Cambodia these gripping accounts begin when the call first went out for covert U S long range reconnaissance patrols in late 1965 continue through the battles of Tet and go all the way up to the final tortured pullout These are LRRP LRP and Ranger units at their finest under the most desperate circumstances one team surrounded by the enemy with no choice but to break out of the trap or die another caught in an ambush of horrific proportions When recon missions suddenly became contact missions when grenades started flying and AK 47s were smoking each man s life was instantly on the line and only his skills and the grit of his teammates could prevent certain death These highly trained warriors were among the best America had to offer and they gave their best no matter how high the price The Sea of Feed Mingin Irn,2023-06-21 About the Book When one entity attempts to gain sovereignty toward something it results to turmoil As the general population suffers from the chaos and devastation the combatants in the field experience a different kind of horror This is the kind of feat that Mingin Irn conveys in his biography The Sea of Feed While serving in the military Mingin saw lives taken away by bullets and explosives as people navigate the tricky fields of war He was one of the wounded soldiers fighting for a nation s cause But the pain he felt physically cannot compare to the despair he felt in his soul as he grieves for all the innocent and young lives that ended before his eyes So Mingin Irn dedicates his work to those who devote their lives in defending a nation to those who lost their lives in combat those who lost their loved ones in war and to those who are suffering the destruction of armed catastrophes About the Author After serving in the United States Army for 14 years in the Military Intelligence Corps as a 35M Human Intelligence Collector Interrogator Linguist Mingin Irn was honorably separated from Active Duty for service connected injuries he incurred while on OEF status spending over six months in a coma enduring 32 reconstructive surgeries and 13 months in physical rehabilitation Consequently he is a Wounded Warrior Alumni and is proud to be part of the Wounded Warrior Project Using his Post 9 11 G I Bill he earned his Bachelor s degree in Business Administration graduating CUMLAUDE Furthermore his educational achievements include his induction into the following HONOR SOCIETIES Golden Key International Honor Society SALUTE Veterans National Honor Society Sigma Beta Delta International Honor Society for Business and Alpha Sigma Lambda Honor Society **Six Silent Men** Reynel Martinez,2010-08-11 No way in hell you could survive out there with six men You couldn t live thirty minutes out there with only six men pg 13 In 1965 nearly four hundred men were interviewed and only thirty two selected for the infant LRRP Detachment of the 1st Brigade 101st Airborne Division Old timers called it the suicide unit Whether conducting prisoner snatches search and destroy missions or hunting for the enemy s secret base camps LRRPs depended on one another 110 percent One false step one small mistake by one man could mean sudden death for all Author Reynel Martinez himself a 101st LRRP Detachment veteran takes us into the lives and battles of the extraordinary men for whom the brotherhood of war was and is an ever present reality the courage the sacrifice the sense of loss when one of your own dies

In the hills valleys and triple canopy jungles the ambushes firefights and copter crashes LRRPs were among the best and bravest to fight in Vietnam

**Warrior Wannabe** Tom Baker, 2022-02-01 2 Readers will get to know Tom Baker well in this unflinching introspective and honest account of his always interesting life In prose that is unadorned sometimes ugly but always authentic he mixes harrowing tales of combat in Vietnam with humorous tales of growing up in the mountains of western North Carolina He introduces readers to the friends family members and forces that have shaped him and his experiences In the process he reveals how history impacts people in ways large and small that echo for generations and across continents His story reveals firsthand the thrills and consequences of a warrior mindset a mindset that can lead to be trauma and enlightenment Tom Baker is much more than just a warrior though and certainly not a wannabe He is someone who has seen a lot of darkness but has not let that block out the light Alex Macaulay PhD US military historian Many people have sought solitude and inner peace in the mixed hardwood forests of the southern Appalachian Mountains My father Charles Woodard also heard the call to the woods Like Tom Baker his mentee and friend for many years Dad was pulled into the comforting and sometimes dangerous confines of the forest These forests were where Tom Baker went to not only make a living but also to confront and deal with the demons of war and the struggles they bring to lives beyond war Living life one day at a time he searched for the inner strength to slowly over time remake himself his life and so many of the lives around him Dickie Woodard former timber cutter and lifelong outdoorsman All of us have demons Tom Baker's memoir is moving in how transparently and unashamedly its author shares his demons with us Here is a man who has loved and been loved has dodged death and has dealt death has been scared and has been lost and has loved and been loved yet again As you read about his life you realize that it is not insanity that leads a former soldier and logger to run and bike and navigate through the woods at all hours of the day and night but sanity and his need to preserve himself for himself and for those he loves Baker tells a tale of how adventure racing instead of helping him to outrun his demons gave him the emotional tools to turn face those demons and stomp them into the ground His example is a gift to all who know him and his memoir is a gift to all those who will know him now through his writing Nate Kreuter PhD author and adventure racer

**Historical Dictionary of the War in Vietnam** Ronald B. Frankum Jr., 2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will

explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War *Eyes Behind the Lines* James F. **Shadow Warriors** Mir Bahmanyar,2011-09-20 No American military unit can claim as colorful and volatile a history as the Rangers who have led the way in America s wars for well over 300 years This book traces the Rangers from the time of Robert Rogers during the French Indian War of the 18th century to the most recent combat operations in Iraq With a focus on today s Army Rangers who combine the rugged individualism of American frontiersmen with the finely honed ability to operate as a close knit team wreaking havoc behind enemy lines this fascinating volume incorporates many first hand accounts of dramatic Ranger actions by the combatants themselves **Forgotten People, Forgotten Times** V.H. Markle,2014-06-10 Let us not forget those who served We were called to duty and we went to war These are the stories of a few of those brave young men and women who fought in Americas most unpopular war These are stories of times events and places that should never be forgotten In war the brain encircles and captures thoughts sights smells and sounds you can never get rid of After the battle the mind can shut down and thoughts begin to smother the brain If a veteran speaks listen with open ears and an open mind They all have something to say If you are a brother or sister from Vietnam talk to someone write down your thoughts contact a brother or sister If you can dont hesitate Go To The Wall These things have made me cry but they have brought back the smile that was once forgotten for so many years Welcome home my brothers and sisters

Whitley, 2010-12 Due to a personnel error a young Army Staff Sergeant is assigned to Vietnam as an Intelligence Analyst and immediately assigned to a combat unit where he led a POW Contact Team responsible for evaluating enemy prisoners Knowing that if he determined the POWs were of no intelligence value they would be turned over to the local South Vietnamese Commander and would probably be executed During this assignment he was involved in an ambush which left two of his team wounded Then went on a covert assignment into Cambodia to find a downed pilot When the MACV Military Assistance Command Vietnam Unit he was assigned to was reorganized he was mistakenly assigned to the 1st Air Cavalry Division just a day prior to the largest combat air lift in the Vietnam war Within a six hour period an entire combat brigade including artillery was airlifted to within 4 miles of the besieged Marines at Khe Sanh When MACV Headquarters located their missing Sergeant he received orders reassigning from the 1st Air Cavalry back to MACV where he was assigned to a Phoenix Program assassination team made up of former Foreign Legionnaires that stayed in Vietnam after the French left Recommended for this assignment by his old nemesis Jack Roark Roark is allegedly a Cultural Attaché with the Embassy but is in fact a CIA case officer and it is not the first time he has involved himself with the young Sergeant's career My Gift to You Jerald W.
