Lucifer at Large (Classic Reprint) C. John McCole, 2017-07-25 Excerpt from Lucifer at Large A fallen angel is a splendid thing a fallen simian is not The one can topple from high heaven the other only from a tree Let men and women of fiction fall to any depths but let them fall as men and women For as I say to fall very far characters have to be human and even somewhat divine Otherwise it is rather difficult to think of them as having any place to fall from to use the figure which Mr Galsworthy once applied to some of his own creatures they seem to be characters who are only falling off the oor About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
