J. Taylor, 2015-07-28 A rich and evocative portrait of one of the greatest authors of Victorian England Who was William Makepeace Thackeray Was he the wealthy dilettante who came to London in the 1830s and squandered his fortune on newspapers Was he the impoverished freelance author of the 1840s who scrapped for every penny he could get Or was he the great writer who published *Vanity Fair* in 1847 skewering

Victorian society and ensuring his literary legacy Throughout the many phases of his life Thackeray remained an enigma He was friendly but standoffish generous yet miserly confident and utterly terrified of failure A century and a half after Thackeray's death D J Taylor has produced a biography that tackles the complexities of these contradictions and restores Thackeray to his place in the literary pantheon His fortune lost by the time he was thirty his personal life in constant torment Thackeray's story is as dramatic as that of any of his characters In Thackeray the man can finally be seen in full *Rum* Magnus Magnusson,2020-05-15 Containing practical advice for visitors to what was once termed the Forbidden Isle this comprehensive guide brings to the reader an idea of Rum's history geography and geology fauna and flora and culture
