Radford,2013-04-18 The first complete encyclopaedia to feature the history and source of superstitions around the world First published in 1947 this encyclopaedia presents over 2 300 superstitions and lists them either individually or collectively under clear headings Discover the many superstitions that have existed throughout history in this fascinating volume One Beat of a Butterfly's Heart Ronald Callander,2014-10-19 In this book we are given a unique view of East Africa of the 1950s not the stereotyped picture of wildlife safaris and leaping Masai but the emerging independence struggle of a new African nation from the viewpoint of a white police officer in an exceptionally detailed thoroughly readable firsthand account of a rare period of recent history It tells how an Australian veteran fresh from the Korean War became a colonial police officer in Tanganyika Territory later Tanzania after federation with the offshore islands of Zanzibar in 1964 The reader is taken on a journey which tourists in Africa never see from back alleys and police cells in the polyglot city of Dar es Salaam to snake infested camps on Uganda Ruanda border patrols and on police field force emergency operations from barracks at the foot of Kilimanjaro There is much here to discover about a mostly benign semi colonial period in Africa which lasted less than fifty years passing in one African s description as briefly as a butterfly s heartbeat where a few conscientious white administrators and their loyal African assistants managed vast regions of a desolate territory with remarkably selfless care and scarce resources where things worked most of the time but sometimes where chaos reigned It is about the country itself its ubiquitous animals and its people at close range including villagers criminals hunters witch doctors and colonial officials but most of all the African askari policemen who were the author s close and often only companions *Butterfly's Sisters* Yoko Kawaguchi,2010-11-30 In this fascinating and wide ranging book Yoko Kawaguchi explores the Western portrayal of Japanese women and geishas in particular from the mid nineteenth century to the present day She argues that in the West Japanese women have come to embody certain ideas about feminine sexuality and she analyzes how these ideas have been expressed in diverse art forms ranging from fiction and opera to the visual arts and music videos Among the many works Kawaguchi discusses are the art criticism of Baudelaire and Huysmans the opera Madama Butterfly the sculptures of Rodin the Broadway play Teahouse of the August Moon and the international best seller Memoirs of a Geisha Butterfly s Sisters also examines the impact on early twentieth century theatre drama and dance theory of the performance styles of the actresses Madame Hanako and Sadayakko both formerly geishas *The Complete Wizard of Oz Collection* by L.
