

## Discovering Your Luck

Somewhere in the darkness  
Waiting in the wings  
Lives a little magic  
That might make your heart sing

You can't exactly find it  
Just invite it to appear  
You might not even sense it  
When it actually is near

It is a combination  
Of preparedness and trust  
That the universe is watching  
So believe in this you must

Try not to focus  
On where you might be stuck  
But rather welcoming the magic  
And discovering your luck

**Lucky Fish** Aimee Nezhukumatathil, 2014-01-28 Lucky Fish travels along a lush current a confluence of leaping vocabulary and startling formal variety with upwelling gratitude at its source for love motherhood new hope and the fluid and rich possibilities of words themselves With an exuberant appetite for my morning song my scurry step my dew anchored in complicated human situations this astounding young poet's third collection of poems is her strongest yet Nezhukumatathil's third book is fascinated with the small mechanisms of being whether natural personal or imagined Everything from eating eels in the Ozark mountains to the history of red dye finds a rich life in her poems At times her lush settings and small stories are reminiscent of fairy tales while at others Nezhukumatathil speaks with resonance and fierceness Even as the poems jump from the Philippines to India to New York they still take their time stopping to notice that there is no mystery on water greater than the absence of rust and to draw small but wonderful parallels Publishers Weekly *Lucky Life* Gerald Stern, Toni Scott, 1978 Lucky Roger McGough, 1993 Suggested level intermediate junior secondary Good Luck Gold and Other Poems Janet S.
