**Lucky Eddie Goes Sailing** Eddie Johnson, 2012-07-17 Extracts from book Once the ship had passed we settled down to wait for the next plan to emerge Finally once we were east of the Shivering sands towers another ship came into view This ship was coming from Sheerness docks and looked as if it would pass quite a distance from us I found myself along with my father and our friend jumping up and down shouting Help were here I knew this was futile as the ship was at least a mile away and the visibility was failing and though I used to laugh when I saw this happen in films it was the only thing that we could do Incredibly the crew on the ship did see us and changed course As the ship circled us were heard a German accent calling to us Are you in da trouble we looked at each other and the boat Our first instinct was to shout back that we were all OK and that we always sailed around with a broken mast But considering our circumstances we decided not to be clever and shouted out yes and how grateful we were that the ship had come to our assistance My father had contacted the firing range and told them our estimated time of arrival before leaving home so it was no surprise that we were hours later than we anticipated It was mid summer and we were all just lying about in shorts and T shirts and there was barely a ripple on the water We were all enjoying the trip when I noticed a flash coming from Shoeburyness I turned and immediately informed my father who began to say dont be silly they know were coming unfortunately he only got as far as they know were when a thundering boom shattered a tranquil sail This as immediately followed by a gust of wind that must have pushed the boat at four knots for a couple of seconds On reaching the bank my father pulled the dingy out of the water and headed for the bridge We could clearly see him walking around the by the control tower of the bridge for about five minutes and I believe he was just about to give up and return to the boat when things got a little more exciting A military Land rover sped up towards the bridge control tower and two Military Police officers jumped out ran over to my father and promptly shoved him into the back of the Land rover They then drove off at speed in the same direction they had come from My father did have a slight

problem when putting the wheel on The fitting to fix the wheel too was round while the hole in the centre of the wheel was square To get over this obstacle he used a generous amount of plastic padding to fill the void between the wheel and the spindle We were coming up to Kings Ferry Bridge and I was at the helm and as per usual the bucket was lifted up the mast As today there was always a wait while the demigod operator who lives in the bridge decides when we are worthy enough to lift his mighty bridge Until the mast can clear the underside of the lifting bridge we would circle As we approached for our second or third turn the wheel stopped responding and as I tried in vain to will the boat to turn the wheel came off in my hands Like most of the Wharrem catamarans this boat though 34 feet did not have a proper heads and after finishing the Chinese food Mick decided he needed to use the heads Like my fathers boat prior to the rebuild the net on the front was seen as the gents My father did mumble to anyone interested that in his opinion the net looked a bit rotten but this warning fell on deaf ears Mike staggered to the bow of the boat and dropped his jeans and pants and settled into the net Joe who was not by any stretch of the imagination was standing quite close coiling a rope Suddenly the net on which Mike was sitting gave up trying to support the weight of Mick Mick vanished into the cloudy depths of the harbour when he surfaced he was immediately having problem

Strahan,2016-09-21 When walking the French Quarter and watching a Lucky Dog salesman set up that colorful cart and call out to entice customers don't you wonder how such a business works As a knowing review in Rolling Stone stated People have always loved the cart and harbored a mysterious need to ride it Revelers have been known to climb on top of the rolling wienies screaming Yippee kaya as vendors stoically push them back to the barn at 4 a.m Since 1947 the red and yellow carts have trumpeted good fortune and sustenance Jerry E Strahan recounts the wild adventures of the Bourbon Street wienie salesmen but also takes readers well beyond New Orleans In fact he takes them halfway around the world where this unique pushcart business maneuvered its way through the bureaucratic red tape of a communist country to become a licensed corporation in the People's Republic of China In China two points quickly became apparent to Strahan First 99 percent of the Chinese population had no idea what a Lucky Dog cart represented One elderly passerby declared it to be a missile Second the success or failure of any joint venture in the Asian nation is directly proportional to the political clout of that company's local partner Lucky Dogs also recounts how the business and its vendors survived Hurricane Katrina Miraculously it reopened only six months after the storm in a city where more than 80 percent of the landmass had been flooded and where less than 40 percent of the population had returned To reestablish itself in what many described as Third World conditions the company had to transform its operation This work mixes business history autobiography survival story and an insider's look at the bizarre lives of some of Bourbon Street's most quirky characters the dauntless Lucky Dog vendors Both humorous and tragic though it may read like fiction it is for better or worse all fact      *Mr. Lucky* James Swain,2007-08-28 Tony Valentine made his living and his name as a cop in Atlantic City and is now known worldwide for his ability to spot the kinds of scams grifts and rip offs that cost casinos billions every year A man with a biting wit who drives a 92 Honda Tony is low profile old school and has seen it all until he meets the luckiest man on earth Ricky Smith was once a small town loser Then he went to Las Vegas jumped out the window of a burning hotel lived to tell the tale and tore up the Strip on an incredible winning streak Ricky didn't just win at one slot machine or table game He won at blackjack roulette and craps and then beat the pants off the world's greatest poker player Tony knows that goofy loudmouthed Ricky Smith or anyone else for that matter couldn't possibly be that fortunate But when Mr Lucky returns home to the little town of Slippery Rock North Carolina he keeps on

Lucky 13?! Franz Kratschmer, 2013 Lucky 13 by Franz Kratschmer This book begins with a short journey through the meaning of the number 13 in human societies, religions and cultures. Then this is followed by some historic dates on which certain things happened on the thirteenth day. As the number 13 has played an important role in Franz Kratschmer's life, he decided to start his personal history with his grandfather who sailed the world in the late nineteenth century. Some of the countries his grandfather visited would later be part of Franz's journeys. This included Brazil, Africa, Indonesia and Australia. The reader will be taken on a voyage that started off during the Austro-Hungarian Empire, passing both World Wars, the liberation of the Austrian capital of Vienna on April 13, 1945 and the author's birth four years later. His career in the Austrian military was followed by becoming a civilian peacekeeper of the United Nations in the Middle East and East Timor. Timor-Leste for more than twenty-three years. About the Author: The author is married and has two sons. His wife Vera Lucia Ataíde and youngest son Karl were born in Brazil. Franz and his firstborn son Francisco are Viennese Austrians. The latter is also an Australian citizen. Mr. Kratschmer's main areas of interest are the Chinese economic expansion and the European Union. As a former peacekeeper of the United Nations, he believes that the traditional peacekeeping operations need to be reviewed and redesigned with a view to enforcing humanitarian missions under the protection of UN forces. **The Lucky Bag**, 1927

**How to Get Lucky (Harriman Classics)** Max Gunther, 2021-09-21 Max Gunther's lost classic now in a new Classics edition. Some people think you're either born lucky or not. But what if you could actively get lucky? As Max Gunther shows in this page-turning classic, some people really are luckier than others and not by accident. Lucky people arrange their lives in characteristic patterns. They tend to position themselves in the path of onrushing luck; they tend to go where events are moving fastest and where they can find their lucky break. Lucky people take risks but not silly ones. They stick with a cause, a job or a partner but not when all hope is lost. In short, they move with life, not against it. This book gives you 13 different techniques by which you can discover and take advantage of life's good breaks while minimising the effects of its bad ones.

Browne, 1875 **From the Promised Land to the Lucky Country** Renate, 2000 In Renate's spellbinding story, we're taken along on an incredible journey of survival that spans three countries and one remarkable life. In sun-soaked pages, Renate shows us life on the kibbutz and how a young country experiences the miracle of statehood. Part of Renate's gift is to give us vibrantly real and intimate glimpses of what it's like to be a young mother, nurse and doting wife during

turbulent times and in a strange land She doesn't sugarcoat but instead shows us both the pleasures and the perils of her life including the terrifying time when she and her husband back in Israel are separated from their children during the Yom Kippur War Fearlessly honest in her writing Renate spares no detail This outstanding book occasionally breaks the fourth wall allowing the author to talk with readers and reveal to them how freeing it has been for her to write about the traumas in her life This boldness and strength of spirit give *From the Promised Land to the Lucky Country* its shining truth and intimacy We are meant to enjoy the earth Renate says and in this moving memoir we experience a woman who has despite all the odds found purpose and peace Ellen Tanner Marsh New York Times best selling author
