Through the characters of his play Ron creatively invites us into the discussion and dialog so that our individual and community God given healing may continue How refreshing it is Larry R Welin D Min LPCC CEAP I began reading *Healing Traumatized Churches* critically However I quickly was drawn in to the book s message of hope and restoration It should be no surprise that dominant culture narcissism has groomed rogue church leaders vying for power and control destroying the fiber of many congregations Their paths are littered with broken lives and lost faith a silent epidemic But the Good News is that Jesus is still the rightful owner and authority of the Body of Christ With Ron s skills as a counselor a heart of a pastor and personal experience the symptoms of church trauma and post trauma are exposed and healing plans identified I read the entire book in one sitting because as a lay leader I have experienced the effects of church trauma personally Thanks to this book I am beginning to experience closure

Colonel Hoard Bud May USAF retired In praise of *Healing Traumatized Churches* Ron Wean give us a wonderful window through which to look at trauma The use of a dramatic script will surely allow others to look through the window and be astonished as I was that the widow becomes a mirror Rev Wean provides a way into and through our own buried traumas Rev Steven A Ingram D Min LPCC Pastoral Counselor This unique and entertaining format offers a plan for healing individuals and congregations through the power of The Cross Each scene is designed for personal meditation or to be used as a Sunday School or Book Study Series or produced in its entirety as a play for congregations and conferences The Family Remains Lisa Jewell, 2023-06-06

Early one morning on the shore of the Thames DCI Samuel Owusu is called to the scene of a gruesome discovery When Owusu sends the evidence for examination he learns the bones are connected to a cold case that left three people dead on the kitchen floor in a Chelsea mansion thirty years ago Rachel Rimmer has also received a shock news that her husband Michael has been found dead in the cellar of his house in France All signs point to an intruder and the French police need her to come urgently to answer questions about Michael and his past that she very much doesn t want to answer After fleeing London thirty years ago in the wake of a horrific tragedy Lucy Lamb is finally coming home While she settles in with her children and is just about to purchase their first ever house her brother takes off to find the boy from their shared past whose memory haunts their present As they all race to discover answers to these convoluted mysteries they will come to find that they re connected in ways they could have never imagined In this masterful standalone sequel to her haunting New York Times bestseller *The Family Upstairs* Lisa Jewell proves she is writing at the height of her

powers with another jaw dropping intricate and affecting novel about the lengths we will go to protect the ones we love and uncover the truth **The Little Speaker, and Juvenile Reader** Charles Northend,1859 **Poems and Plays by Charles and Mary Lamb** e.V.
