knowledge alive and relevant      *Myths and Legends of the Pacific Northwest* Katharine Judson, 2015-02-12 From the preface IN the days of the first grandfather when the earth was young the Indian armed only with stone knife stone hatchet and bows and arrows found himself confronted with the work of Some One far greater and stronger than himself This Power or Powers for there came to be many of them had uplifted snowy mountain peaks had cut deep canons through the solid rock had carved out mountain passes and had blocked the passage of mighty rivers by great rocks and boulders These Powers were strong and brutal They had enormous strength and men of only human size were their prey as helpless as flybug under the heel of the Indian Tatoosh the Thunder Bird who lived in the sky was one of these Powers He shook the mountains with the flapping of his wings The flashing of his eye was the lightning He caught great whales instead of salmon for food Only by crumbling a rock into powder so small that he could not even see it could he secure a piece small enough for the Indian to use as a salmon spear Because Tatoosh is so terrible and the enemy of red men his picture is painted and carved on their houses their canoes and canoe paddles indeed everywhere to soften his anger Often Tatoosh as shown in the photograph of the Chilcat blanket is represented by a single eye the terrible eye that flashes fire There is no beneficent deity among these Indians of the Northwest Sahale does not represent the same idea as that of Manitou the Great Spirit among the eastern Indians Yet Tyhee Sahale along the Columbia River and Old Man Above among the California Indians represent the clearest idea of a single governing spirit living in the sky But they are not sure of his friendship Among most of the tribes on the other hand there is an utter lack of any friendly deity as among the Blackfeet of Montana with whom Old Man is simply a trickster half human who nearly always gets the worst of it in his encounters with Coyote      *Indian Legends of the Pacific Northwest* Ella E. Clark, 2023-11-15 This collection of more than one hundred tribal tales culled from the oral tradition of the Indians of Washington and Oregon presents the Indians own stories told for generations around their fires of the mountains lakes and rivers and of the creation of the world and the heavens above Each group of stories is prefaced by a brief factual account of Indian beliefs and of storytelling customs Indian Legends of the Pacific Northwest is a treasure still in print after fifty years This collection of more than one hundred tribal tales culled from the oral tradition of the Indians of Washington and Oregon presents the Indians own stories told for generations around their fires of the mountains lakes and rivers and of the crea
