May, From USA Today bestselling author W J May comes a boxset of first books in her international bestselling series RAE OF HOPE THE CHRONICLES OF KERRIGAN How hard do you have to shake the family tree to find the truth about the past Fifteen year old Rae Kerrigan never really knew her family s history Her mother and father died when she was young and it is only when she accepts a scholarship to the prestigious Guilder Boarding School in England that a mysterious family secret is revealed Will the sins of the father be the sins of the daughter As Rae struggles with new friends a new school and a star struck forbidden love she must also face the ultimate challenge receive a tattoo on her sixteenth birthday with specific powers that may bind her to an unspeakable darkness It s up to Rae to undo the dark evil in her family

s past and have a ray of hope for her future SEVENTH MARK Part 1 2 THE HIDDEN SECRETS SAGA Like most teenagers Rouge is trying to figure out who she is and what she wants to be Everything changes when she befriends a strangely intoxicating family Siblings Grace and Michael appear to have secrets which seem connected to Rouge Her hunch is confirmed when a horrible incident occurs at an outdoor party Rouge may be the only one who can find the answer An ancient journal a Sioghra necklace and a special mark force life altering decisions for a girl who grew up unprepared to fight for her life or others Eternal the Queen s Alpha Series When the king is murdered his only daughter Katerina must flee for her life She finds herself on a strange and dangerous path Alone for the first time she s forced to rely on her wits and the kindness of strangers while protecting her secret at the same time Because she alone knows the truth It was her brother who killed the king And he s coming for her next With her brother s hired assassins closing in at every turn Katerina must unlock a secret that s hidden deep inside her It s the only thing strong enough to keep the darkness at bay Can she find the answers she needs Will she ever take her rightful place on the throne Only one thing is certain she s running out of time RADIUM HALOS THE SENSELESS CHRONICLES Everyone needs to be a hero at one point in their life The small town of Elliot Lake will never be the same again Caught in a sudden thunderstorm Zoe a high school senior from Elliot Lake and five of her friends take shelter in an abandoned uranium mine Over the next few days Zoe s hearing sharpens drastically beyond what any normal human being can detect All four develop similar traits Their senses develop into stronger supernatural powers Fashioning themselves into superheroes the group tries to stop the strange occurrences happening in their little town Muggings break ins disappearances and murder begin to hit too close to home It leads the team to think someone knows about their secret someone who wants them all dead An incredulous group of heroes A traitor in their midst Some dreams are written in blood COURAGE RUNS RED The BLOOD RED SERIES What if courage was your only option When a raging blood feud between vampire shifter spills into her home Kallie is caught in the middle Torn between love and family loyalty she must find the courage to fight even if it means risking her own life in the process

Myth and Creative Writing

Adrian May,2013-11-19 Myth and Creative Writing is a unique and practical guide to the arts of creative writing It Gives a historical perspective on the storyteller s art Takes a wide view of myth to include legends folklore biblical myth classical myth belief myths balladry and song Considers all aspects of the creative process from conception to completion Provides tips on seeking inspiration from classical and mythic sources Shows how myths can be linked to contemporary concerns Enables beginning writers to tap into the deeper resonances of myth Guides students to further critical and creative resources A secret that all writers know is that they are part of a long tradition of storytelling whether they call it mythic intertextual interactive or original And in the pantheon of storytelling myths those stories that tell us in often magical terms how the world and the creatures in it came to be are the bedrock a source of unending inspiration One can dress the study of literature in the finest critical clothing or intellectualise it until the cows come home but at its heart it is nothing more and

nothing less than the study of the human instinct to tell stories to order the world into patterns we can more readily understand Exploring the mythic nature of writing by considering where the connections between instinct and art are made and where the writer is also seen as a mythic adventurer is a way of finding close links to what it is we demand from literature which is again something to do with the essences of human nature Further in the course of examining the nature of myth Adrian May provides a very practical guide to the aspiring writer whether in a formal course or working alone on how to write stories myths of their own from how to begin how to develop and how to close

True Myth James W Menzies, 2015-02-26 True Myth examines the meaning and significance of myth as understood by C S Lewis and Joseph Campbell and its place in the Christian faith in a technological society C S Lewis defined Christianity and being truly human as a relationship between the personal Creator and his creation mediated through faith in his son Jesus The influential writer and mythologist Joseph Campbell had a different perspective understanding Christianity as composed of mythical themes similar to those in other religious and secular myths While accepting certain portions of the biblical record as historical Campbell taught the theological and miraculous aspects as symbolic as stories in which the reader discovers what it means to be human today In contrast Lewis presented the theological and the miraculous in a literal way Although Lewis understood how one could see symbolism and lessons for life in miraculous events he believed they were more than symbolic and indeed took place in human history In True Myth James W Menzies skilfully balances the two writers differing approaches to guide the reader through a complex interaction of myth with philosophy media ethics history literature art music and religion in a contemporary world
