to most frequently in their literature not those which are merely diverting without being typical or instructive in short a true not a distorted image Notice This Book is published by Historical Books Limited [www publicdomain org uk](http://www.publicdomain.org.uk) as a Public Domain Book if you have any inquiries requests or need any help you can just send an email to [publications publicdomain org uk](mailto:publications@publicdomain.org.uk) This book is found as a public domain and free book based on various online catalogs if you think there are any problems regard copyright issues please contact us immediately via DMCA [publicdomain org uk](http://publicdomain.org.uk) [Myths & Legends of China](#) Edward Theodore Chalmers Werner,1984 Authoritative and interesting source of information on Chinese mythology **Myths and Legends of China** E.
