on Legislative Appropriations,1997 *Guide to the Library of Congress Classification* Lois Mai Chan,Sheila S. Intner,Jean
Weihs,2016-09-26 Like earlier editions this thoroughly updated sixth edition of the classic textbook provides readers with a
basic understanding of the Library of Congress Classification system and its applications The Library of Congress
Classification system is used in academic legal medical and research libraries throughout North America as well as
worldwide accordingly catalogers and librarians in these settings all need to be able to use it The established gold standard
text for Library of Congress Classification LCC the sixth edition of *Guide to the Library of Congress Classification* updates
and complements the classic textbook s coverage of cataloging in academic and research libraries Clear and easy to
understand the text describes the reasoning behind assigning subject headings and subheadings including use of tables
explains the principles structure and format of LCC details notation tables assigning class numbers and individual classes
and covers classification of special types of library materials The last chapter of this perennially useful resource addresses
the potential role of classification in libraries of the future *Super LCCS 40 Volume Set* Gale's,2008 *Legislative*
