N Y Consolidated Laws Nycu Vol 8:

New York Consolidated Laws Service New York (State).,1974 **Annotated Consolidated Laws of the State of New York as Amended to January 1, 1910, Containing Also the Federal and State Constitutions, with Notes of Board of Statutory Consolidation, Tables of Laws and Index: Personal property law to State boundaries** New York (State),1909 **Annotated Consolidated Laws of the State of New York as Amended to January 1, 1918** New York (State),1919 **Bowker's Law Books and Serials in Print** ,1998 **Annotated Consolidated Laws of the State of New York** New York (State),1920 Annotated Consolidated Laws of the State of New York as Amended to January 1, 1910, Containing Also the Federal and State Constitutions, with Notes of Board of Statutory Consolidation, Tables of Laws and Index: Election law to Judgments New York (State).,1909 *Forthcoming Books* Rose Army,1999-08 New York Supreme Court , A History of the Laws of War: Volume 3 Alexander Gillespie,2011-10-07 This unique work of reference traces the origins of the modern laws of warfare from the earliest times to the present day Relying on written records from as far back as 2400 BCE and using sources ranging from the Bible to Security Council Resolutions the author pieces together the history of a subject which is almost as old as civilisation itself The author shows that as long as humanity has been waging wars it has also been trying to find ways of legitimising different forms of combatants and ascribing rules to them protecting civilians who are either inadvertently or intentionally caught up between them and controlling the use of particular classes of weapons that may be used in times of conflict Thus it is that this work is divided into three substantial parts Volume 1 on the laws affecting combatants and captives Volume 2 on civilians and Volume 3 on the law of arms control This third volume deals with the question of the control of weaponry from the Bronze Age to the Nuclear Age In doing so it divides into two parts namely conventional weapons and Weapons of Mass Destruction The examination of the history of arms control of conventional weapons begins with the control of weaponry so that one side could achieve a military advantage over another This pattern which only began to change centuries after the advent of gunpowder was later supplemented by ideals to control types of conventional weapons because their impacts upon opposing combatants were inhumane By the late twentieth century the concerns over inhumane conventional weapons were being supplemented by concerns over indiscriminate conventional weapons The focus on indiscriminate weapons when applied on a mass scale is the core of the second part of the volume Weapons of Mass Destruction are primarily weapons of the latter half of the twentieth century Although both chemical and biological warfare have long historical lineages it was only after the Second World War that technological developments meant that these weapons could be applied to cause large scale damage to non combatants thi is unlike uclear weapons which are a truly modern invention Despite being the newest Weapon of Mass Destruction they are also the weapon of which most international attention has been applied although the frameworks by which they were contained in the last century appear inadequate to address the needs of current times As a work of reference this set of three books is unrivalled

and will be of immense benefit to scholars and practitioners researching and advising on the laws of warfare It also tells a story which throws fascinating new light on the history of international law and on the history of warfare itself **The Publishers' Trade List Annual** ,1998 Going Out David Nasaw,1999-04-15 This social history of 20th century show business and the new American public that assembled in the parks theatres and dance halls argues that an otherwise disparate white audience was united by the exclusion and stigmatisation of African Americans *Who's who in America* John W. Leonard,Albert Nelson Marquis,1928 Vols 28 30 accompanied by separately published parts with title Indices and necrology **Workmen's Compensation Law and Rules and Regulations Promulgated Thereunder** New York State,1917 **Business Digest and Investment Weekly** Arthur Fremont Rider,1920 Free Labor John Krinsky,2008-09-15 One of former New York City Mayor Rudolph Giuliani s proudest accomplishments is his expansion of the Work Experience Program which uses welfare recipients to do routine work once done by unionized city workers The fact that WEP workers are denied the legal status of employees and make far less money and enjoy fewer rights than do city workers has sparked fierce opposition For antipoverty activists legal advocates unions and other critics of the program this double standard begs a troubling question are workfare participants workers or welfare recipients At times the fight over workfare unfolded as an argument over who had the authority to define these terms and in Free Labor John Krinsky focuses on changes in the language and organization of the political coalitions on either side of the debate Krinsky s broadly interdisciplinary analysis draws from interviews official documents and media reports to pursue new directions in the study of the cultural and cognitive aspects of political activism Free Labor will instigate a lively dialogue among students of culture labor and social movements welfare policy and urban political economy **Supreme Court Appellate Division Third Dept. Vol. 1764 , McKinney's Consolidated Laws of New York Annotated** New York (State),1989 **Reports of cases heard and determined in the Appellate Division of the Supreme Court of the State of New York** ,1915 *Laws of the State of New York Passed at the ... Session of the Legislature* New York (State),1992 The New York Times Index ,1928
