Analecta Orientalia J. H. Kramers, 2024-05-06 **Dutch Newspapers on War Victims and Their LSD-treatment by Jan Bastiaans** Leo van Bergen, 2023-04-04 In the 1960s it became clear that survivors of the concentration camps had developed psychological complaints They were diagnosed with KZ syndrome Dutch psychiatrist Jan Bastiaans used LSD in his psychotherapeutic sessions with KZ syndrome sufferers who said they greatly benefitted from his treatment This was despite criticism from medical professionals enough proof for journalists regardless of their signature to defend the drug s usage Without the newspapers LSD probably would have disappeared quickly as a medical tool Over time paradoxically the cause related diagnosis KZ syndrome came to encompass more than just Holocaust survivors soldiers hostages survivors of the Japanese camps and the children of Dutch national socialists were all eventually included within the concept It resulted in an enormous rise in patient numbers and a blurring and eventual disappearance of the concept This book explores the contribution of Dutch newspapers to the historical cultural phenomenon of this rising focus on victims and victimhood without which the later acceptance of PTSD a symptom related diagnosis could not be understood , A Van Tuyl Chronicle R. L. M. Bakkum, 2009 Annotation Although the Ager Faliscus lay between the areas where Etruscan Latin and Sabellic languages were spoken the inscriptions from the area from before c 150 bce show that it used a speech of its own known as Faliscan Most scholars agree that Faliscan is linguistically very close to Latin but the hypothesis that it is in fact a Latin dialect has not been the subject of a major publication until now In this work the linguistic data on Faliscan provided by the inscriptions are analyzed and compared to the languages of the surrounding areas Sociolinguistic aspects such as language contact and local identity are discussed as well The main conclusion is that Faliscan can indeed be regarded as a dialect of Latin The work includes a re edition of all inscriptions in many cases based on autopsy This title can be previewed in Google Books <http://books.google.com/books/vid/ISBN9789056295622> A Family Occupation Jolanda Vanderwal Taylor, 1997 A Family Occupation investigates Dutch language texts by well known authors which address the occupation and its aftermath in the lives of victims collaborators bystanders and Dutch internees in the prison camps of Indonesia It is the
