# the Naked Face

"An attractive psychoanalyst—the kind you'd go to even if you didn't need one—is accused of murdering a patient as well as his receptionist. After that casual beginning, the story goes steadily uphill. It is a narrative ride you won't soon forget. Of one thing let the buyer beware: Once you are into this gripping novel, you must be prepared to forsake family, friends, television, and all other make-believe, for total immersion in the reality of this fiction.

"Sidney Sheldon appears to have invented a new synonym for 'suspense'—three words—*The Naked Face*."  
—*Levay Wallace*

"The suspense novel of the year."  
—*Vivian Scott*  
of *United Press International*

"A real spine tingler. *The Naked Face* scared the hell out of me."

—*George Mann*

(continued on back flap)
