

A dramatic landscape photograph of a sunset or sunrise over a body of water. The sky is filled with dark, heavy clouds, with a bright orange and yellow glow from the sun breaking through near the horizon. The water in the foreground is dark and reflects the light from the sky.

You never know who's swimming
naked until the tide goes out.

Naked Tide:

My Opened Chest Yon Ethraim Fearshaker, 2014-10-10 As a poor farmer's wife our mother knew what it was to rise early in the morning with a song of praise to God upon her lips and upon retiring at night to give thanks to God for the strength to endure To each of you here I would like to touch your memory of our mother Although it is not necessary our mother deserves a bit of commendation for the way she cooperated with her Creator **Lucretius On the Nature of Things** Titus Lucretius Carus, 1870 **RISINGTIDEFALLINGSTAR** Philip Hoare, 2018-04-02 Every day is an anxiety in my ways of getting to the water I've become so attuned to it so scared of it so in love with it that sometimes I can only think by the sea It is the only place I feel at home Many of us visit the sea Admire it Even profess to love it But very few of us live it Philip Hoare does He swims in the sea every day either off the coast of his native Southampton or his adopted Cape Cod He watches its daily and seasonal changes He collects and communes with the wrack both dead and never living that it throws up on the shingle He thinks with at through the sea All of which should prepare readers RISINGTIDEFALLINGSTAR is no ordinary book It mounts no straight ahead argument It hews to no single genre Instead like the sea itself it moves flows absorbs transforms In its pages we find passages of beautiful nature and travel writing lyrical memoir seams of American and English history and much more We find Thoreau and Melville Bowie and Byron John Waters and Virginia Woolf all linked through a certain refusal to be contained to be strictly defined an openness to discovery and change Running throughout is an air of elegy a reminder that the sea is an ending a repository of lost ships lost people lost ways of being It is where we came from for Hoare it is where he is going Every swim is a little death Hoare writes but it is also a reminder that you are alive Few books have ever made that knife's edge so palpable Read RISINGTIDEFALLINGSTAR Let it settle into the seabed of your soul You'll never forget it *On the Nature of Things* Titus Lucretius Carus, 1851 Toad Head , To Turn the Tide S.M. Stirling, 2024-08-06 New time travel military adventure from New York Times best selling novelist S M Stirling IT'S THE END OF THE WORLD AS WE KNOW IT Everyone could see it coming But one man could do something about it Oh he couldn't avert the nuclear holocaust but a scientist in Austria ruthlessly using billions of research dollars for his own purposes set himself up and out he created a time machine and filled a warehouse with low tech survival gear Too bad he didn't get to use it himself Instead a team of American grad students led by their professor is sent back to the late Roman Empire Even though they are experts in this time and place they are about to realize that books and actual experience are very different things If they can survive they hope to remake the world into a better place But that's a big if At the publisher's request this title is sold without DRM Digital Rights Management Praise for S M Stirling A powerful convincing adventure with a large cast of ordinary and extraordinary people Don't miss it Harry Turtledove A stunning speculative vision of a near future bereft of modern conveniences but filled with human hope and determination Highly recommended Library Journal Post-apocalypse novels often veer either too heavily into romantic Robinsonades or nihilistic dead ends But Stirling has struck the perfect

balance between grit and glory Science Fiction Weekly Stirling shows that while our technology influences the means by which we live it is the myths we believe in that determine how we live The novel's dual themes myth and technology should appeal to both fantasy and hard SF readers as well as to techno thriller fans Publishers Weekly Fans of apocalyptic thrillers like Stephen King's The Stand will find Dies the Fire absolutely riveting a fantastic epic work Midwest Book Review This volume delivers an engaging and approachable new adventure along with one of the very best of the classic stories GrimDark Magazine Absolute fanboy's dream S M Stirling along with illustrator Robert De La Torre do a bang up job with Blood of the Serpent Cheers to Titan Books as well The only other thing this fanboy can ask for is More please Fantasy Literature

Piano Tide Kathleen Dean Moore,2017-12-12 Do we belong to the Earth or does the Earth belong to us The question raised by Chief Seathl almost two centuries ago continues to be the defining quandary of the wet wild rainforests along the shores of the Pacific Northwest It seethes below the tides of the fictional town of Good River Harbor a little village pressed against the mountains homeland to bears whales and a few weather worn families In Piano Tide the debut novel by award winning naturalist philosopher activist and author Kathleen Dean Moore we are introduced to town father Axel Hagerman who has made a killing in this remote Alaskan harbor by selling off the spruce the cedar the herring and halibut But when he decides to export the water from a salmon stream he runs head long into young Nora Montgomery just arrived on the ferry with her piano and her dog Nora has burned her bridges in the lower 48 and she aims to disappear into this new homeland with her piano as her anchor But when Axel's next business proposition a bear pit turns lethal Nora has to act The clash when it comes is a spectacular and transformative act of resistance

A Fairly Dangerous Thing Reginald Hill,2019-05-28 An unerring bawdy comedy of criminally bad behavior by the author of the Dalziel and Pascoe mysteries Sunday Telegraph Best known for his Dalziel and Pascoe novels which were adapted into a hit BBC series Reginald Hill proves himself to be a master of form and style grace and wit in his stand alone novels as well now available as ebooks The New York Times Joseph Askern English teacher in a village day school has three preoccupations his fantasies about

women that are quite unbecoming for such a proper gentleman a hopelessly delinquent student and a near obsessive fascination with the history of the noble estate of Averingerett Unluckily for Joseph they are all about to collide The filching father of the troubled pupil has engaged a call girl for her services in blackmail The scheme Joseph must aide in the master heist of the stately home since he knows the place so well or his immodest career ending indiscretion will go public with pictures Unable to wriggle free Joseph agrees to navigate the caper But getting into Averingerett isn t the problem It s getting out that will be more dangerous unexpected and scandalous than Joseph imagined Fado and the Place of Longing Richard Elliott,2017-07-05 Fado often described as urban folk music emerged from the streets of Lisbon in the mid nineteenth century and went on to become Portugal s national music during the twentieth It is known for its strong emphasis on loss memory and nostalgia within its song texts which often refer to absent people and places One of the main lyrical themes of fado is the city itself Fado music has played a significant role in the interlacing of mythology history memory and regionalism in Portugal in the second half of the twentieth century Richard Elliott considers the ways in which fado songs bear witness to the city of Lisbon in relation to the construction and maintenance of the local Elliott explores the ways in which fado acts as a cultural product reaffirming local identity via recourse to social memory and an imagined community while also providing a distinctive cultural export for the dissemination of a remembered Portugal on the global stage The Nature of Things Titus Lucretius Carus,1805 Catalog of Copyright Entries.
