**The naked sword** Mitchell Anthea,1960      *The naked sword* Anthea Mitchell,1951      **Naked Sword 2019** Naked Sword,2018      *Naked Sword* Silvestri Elliot (author),1901      **Naked Sword 2018** Naked Sword,2017      **The Naked Sword** F. W. Kenyon,1979-02-01      **A Dictionary of Sexual Language and Imagery in Shakespearean and Stuart Literature** Gordon Williams,2001-09-13 Providing an alphabetical listing of sexual language and locution in 16th and 17th century English this book draws especially on the more immediate literary modes the theatre broadside ballads newsbooks and pamphlets The aim is to assist the reader of Shakespearean and Stuart literature to identify metaphors and elucidate meanings and more broadly to chart through illustrative quotation shifting and recurrent linguistic patterns Linguistic habit is closely bound up with the ideas and assumptions of a period and the figurative language of sexuality across this period is highly illuminating of socio cultural change as well as linguistic development Thus the entries offer as much to those concerned with social history and the history of ideas as to the reader of Shakespeare or Dryden      **The Naked Sword** Anthea Mitchell,2011-06-01      **The Woman Who Pretended to Be Who She Was** Wendy Doniger,2005 Many cultures have myths about self imitation stories about people who pretend to be someone else pretending to be them in effect masquerading as themselves This great theme in literature and in life tells us that people put on masks to discover who they really are under the masks they usually wear so that the mask reveals rather than conceals the self beneath the self In this book noted scholar of Hinduism and mythology Wendy Doniger offers a cross cultural exploration of the theme of self impersonation whose widespread occurrence argues for both its literary power and its human value The stories she considers range from ancient Indian literature through medieval European courtly literature and Shakespeare to Hollywood and Bollywood They illuminate a basic human way of negotiating reality illusion identity and authenticity not to mention memory amnesia and the process of aging Many of them involve marriage and adultery for tales of sexual betrayal cut to the heart of the crisis of identity These stories are extreme examples of what we common folk do unconsciously every day Few of us actually put on masks that replicate our faces but it is not uncommon for us to become travesties of ourselves particularly as we age and change We often slip carelessly across the permeable boundary between the un self conscious self indulgence of our most idiosyncratic mannerisms and the conscious attempt to give the people who know us personally or publicly the version of ourselves that they expect Myths of self imitation open up for us the possibility of multiple selves and the infinite regress of self discovery Drawing on a dizzying array of tales some fact some fiction *The Woman Who Pretended to Be Who She Was* is a fascinating and learned trip through centuries of culture guided by a scholar of incomparable wit and erudition      **King Artus** Curt Leviant,2003-10-01 A rarity of enormous interest this refurbished Hebrew translation of an Arthurian romance is the only known text of its kind in existence Based on the writings of an anonymous Italian Jew in 1279 the author presents two stories The first relates Merlin s role in the seductions of Igera by Pendragon and the consequent birth of

Arthur The second tells of Arthur s rise to royal glory of Lancelot s affair with Guinevere his meeting with the Maid of Askalot and his skill at a jousting tournament This romance exists in a unique copy at the Vatican Library which Curt Leviant personally examined He offers a highly readable version of that text in corrected Hebrew with graceful English transliteration on facing pages and an analysis of Jewish aspects of the piece He also traces its origins to an Old French tale Not just a literary curiosity this is at once fine scholarship and compelling proof of the vibrant interaction between Judaism and other cultures of medieval Europe Keepers of the City Marvin Lunenfeld,1987 Through its study of the corregidores this book offers a panoramic view of Castile during the late medieval and Renaissance eras **Parson Kelly** Alfred Edward Woodley Mason,Andrew Lang,1899 **Longman's Magazine** Charles James Longman,1899 Popular Tales from the Norse, with an Introductory Essay on the Origin and Diffusion of Popular Tales. 2.
